

- Ligature**, of radial artery, 126
of sciatic artery, 836
of subclavian, 699, 707
of superficial femoral in Scarpa's triangle, 839
- Ligatures**, infection by, 15
sterilisation of, 19
- Light** treatment of lupus, 388
- Limbs**, condition of, in concussion, 263
See also Extremity
- Lingual** arteries, ligature of, in removal of tongue, 535
artery, ligature of, 672
goitre, operation for, 636
nerve, neurectomy within the mouth of, 370
- Lip**, lower, epithelioma of, removal of with restoration of lip, 12
restoration of, 494
by Serre's operation, 493
Regnier's operation for, 495
replacement of, 496
- Lip**, upper, Chanvel's operation on, by vertical flaps, 500
Diftenbach's operation on, by vertical flaps, 500
Sedillot's operation on, by vertical flaps, 500
- Lipomata** of neck, 647
- Lips**, operations on, 479, 488
plastic operations on, 489, 493, 496
- Listrac's** amputation, 948, 950
- Lister's** operation for excision of wrist-joint, 112
- Lithotomy** position in operations, 23
- Loose** bodies of knee-joint, removal of, 887
internal semilunar cartilage, operation for, 892
- Lorenz's** manipulation for congenital dislocation of hip, 827
indications for operation, 828
operation, 829
- Lung**, actinomycosis of, operation for, 784
cavity in, opening and draining of, 786
difficulties and dangers, 790
decortication of, in empyema, 773
oedema of, infusion and, 41
hydatid disease of, operation for, 784
operation risks in disease of, 8
operations on, 778
dangers, 781
for injuries, 782
for pulmonary suppurations, 782
for tuberculous disease, 783
opening the thorax and exposure of lesion, 785
prevention against danger of extensive pneumothorax, 779, 785
special instruments for, 787
symptoms resulting from large opening in thoracic wall, 778
use of cabinet in, 780
suture of, to parietal pleura, 780
tumours of, operation for, 784
- Lupus**, actual cautery in, 392
application of caustics and other chemicals in, 393
erosion of, 390
of face, treatment, 387
Finsen-light treatment of, 388
- Lupus**, scarification in, 392
linear, 392
punctiform, 392
treatment of, by excision, 389
general, 393
X-ray treatment of, 389
- Lymphangioma**, congenital, 615
- Lymphangioplasty**, 55
- Lymphatics**, operations on, 55
removal of, in operations on the tongue, 539
surgery of, 46, 55
- Macewen's** combined small curette and seeker, 341
gouge, 339
method of compression of abdominal aorta, 809
supra-condyloid operation, 955
triangle, 333
tubes, 573
- Makka's** clamps for control of haemorrhage from scalp, 255, 311
- Malar** bone, surgery of, 368
- Malgaigne**, *en raquette* method of, 62
- Malgaigne's** operation for hare-lip, 483
- Malignant** disease of breast, 728
of larynx, 582
of nose, 462
of upper jaw, recurrence of, 431
See also Cancer, Sarcoma.
- Malignant** goitre, 618
- Marion's** guide for Gigli's saw, 316, 317
- Mastitis**, chronic cystic, excision of breast for, 758
- Mastoid** abscess, acute, 337
operation for, 337, 338, 343
accidents and complications, 342
after-treatment, 342
retractor in, 338
- Mastoid** antrum, complications of suppurative otitis media and, 333
- Mastoid** cells, complications of suppurative otitis media and, 333
- Mastoid** operation, radical, 337, 343, 344
after-treatment, 342, 349
plastic operation, 346
- Mastoiditis**, acute, 337
operation for, 337
Bezold's, 338
- Matas** operation for arteriorrhaphy, 561
results of, 55
operation for aneurysm, 891
- Meatus**, external auditory, boils of, 339
exostoses of, 330
furuncles of, 330
- Mediastina**, suppuration in, complicating after-treatment of tracheotomy, 575
- Mediastinum**, anterior, operation on, 790
operations on, 778, 790
posterior, operations on, 791
- "Melon-seed"** bodies in palmar tenosynovitis, 90
- Meningeal** artery, middle, haemorrhage from, 262
- Meninges**, condition of, in trephining for epilepsy, 275
- Meningitis** complicating otitis media, 353
following operations for naso-pharyngeal fibroma, 472
spinal, chronic, 992
