RUSSIA STILL HOLDS ALOOF.

PARIS, June 29.—(Can. Press).—Russia, which is the only power still to be heard from in connection with the ratification of the Chinese loan of \$200,000,000, which was virtually agreed to here yesterday by the delegates of the groups of bankers representing the six powers—the United States, Great Britain, France, Germany, Russia and Japan—has not yet announced her decision to the terms. Her answer was to have arrived here at noon to-day and the delay is causing considerable disquietude among the international banking group, which was already contemplating itself upon the success of the negotiations.

White Label Ale

is the best in your dealer's store or at the hotel, and you get it full of its original snap and life—just like it leaves the brewery—and better, tastier, even than the imported.

Pint and quart size bottles, sterilized, filled and sealed here at the brewery, with easily opened crown stoppers that bear our name.
