EASTERN PEOPLES WILL MILITARIZE

Rev. Dr. Bates Tells of What PATRIOTIC GRANTS German Victory Would

WAR OF IDEALS

Result Must Be Trust and Confidence or Distrust and Espionage.

In the Eaton Memorial Church on Sun-

Quered, but there was no peace there.

Dealing with the population of the Asiatic countries, Dr. Bates said: "In India, Chira, and Japan there are 959,-000,000 people occupyings, one-third of the area of Ontario, while the white population of the world is 600,000,000." The Japanese were an awakened people and not satisfied with their crowded condition. But there was no danger of warbetween Japan and the United States.

Touching briefly on the outcome of the war, Dr. Bates said:

"If Germany wins the war, Japan, China and India will militarize and all these millions will become a menace to

ANNIVERSARY SERVICES HELD AT BALMY BEACH

Rev. R. Corrigan Preaches Missionary Sermon to Large Congregation.

Beech Avenue Methodist Church, Balmy Beach, held missionary anniversary services yesterday. Large congregations were present. Rev. R. Corrigan preached in the morning. He congratulated the members upon the recent enlargement of the church and wished the congregation increasing growth and prosperity. This was best assured by a broadminded interest in the welfare of humanity, and this could best be manifested in support of foreign and home missions.

The annual meeting and election of officers with the conficient was find a conficient with the conficient was find and election of officers were lected; was field last evening in the basement hall, Annette street, West Toronto. Rev. Dr. J. P. Treacy, the pastor, occupied the chair.

The following officers were elected: President, W. J. Quinn; vice-president, H. J. Dowling; secretary, A. J. Walsh; assistant secretary, Gordon Hutton; treasurer, T. J. Ingoldsby;

nissions.

Rev. A. P. Addison, pastor, preached an inspiring sermon in the evening. He pointed out that the missionaries in the Methodist foreign fields in Japan and China had given proof of their devotion to the missionary cause by making special war-time increased contributions themselves to the mission funds. It was of vital importance to the future usefulness of Canadian Methodism that the support of their mission enterprises should be fully maintained. support of their mission enterprises should be fully maintained. No greater factor for the preservation of peaceful relations between Great Britain and the people of India and the great nations of the far goat would be mentioned than the the far east could be mentioned than the stread of the principles of the gdspel. At the close of the evening service a board meeting was held to discuss the fuel question. It was decided to continue the mid-week services in the church parlors, unless there was seen to be a service of the church parlors. lors, unless there was some general movement for closing the churches.

GETS MILITARY MEDAL. Pte. Tom McDonald of Wychwood Hon-ored for Bravery.

McDonald is a promisent member of St. Donald is a prominent member of St. Michael and All Angels' parish, and well known in the Wychwood district.

PATRIOTIC APPEAL.

Dr. A. H. Abbott Speaks to Men's Own

Dr. A. H. Abbott was the speaker at the Men's Own Brotherhood meeting in Central Methodist Church, Ascot avenue, Earlscourt, yesterday after noon. Dr. Abbott-spoke on the spirit of the present time, and pointed our how the war had broken down the artificial distinctions between men and nations, so very prominent in the past. Standards so very important at one time were now being swept away. The speaker made a special appeal for support in the forthcoming patriotic and Red Cross campaign.
Rev. E. Crossley Hunter presided and there was a good attendance.

FOREGO COOKERY SOCIAL.

Sunday school children connected with St. Michael and All Angels' Anglican Church, Wychwood, ual cookery social, which was to be held tomorrow, in favor of an entertainment for the benefit of the Ar menian children. A silver collection will be taken at the door.

TAKEN TO HOSPITAL.

most successful. He said the women's organization should be perfected in view of the possibility of a provincial election. On his suggestion a motion was carried calling for the appointment of a woman as vice-president of the various provincial units ass with the East York association Notice was served that at the next meeting a motion will be presented having as its object the changing of the name to East York Unionist As-

Prepare for Election.

Thomas Foster, M.P., prophesied an early provincial election, and said it was time now to prepare. He suggested that Geo. S. Henry, M.L.A., would be an excellent minister of agriculture in the present provincial. been given him and which election to the Dominion Parliament.

He said the Union government had a problem on its hands in regard to the foreign element in the country, to see that the best positions were not the Live stock and other chattels brought good prices. The death of Mr Hemmingway a short time ago necessitated the sale of the farm, which went to Alexander Decedes. necessitated the sale of the farm, which went to Alexander Donaldson an adjoining neighbor. The land is unexcelled in Markham Township, but the buildings will require to be reconstructed at an activated what Mr. Foster's opinion was in reconstructed at an activated what Mr. Foster's opinion was in re-

tinexcelled in Markham Township, but the buildings will require to be reconstructed at an estimated crst of between \$4000 and \$5000. The farm is a mile and a quarter from the York highways good roads system and about 18 miles from the city.

MARKHAM ACRICIL TURAL were monopolized. His position was that Canada was better off without that class of labor, and he would not

approve of any such action as has been intimated of late.

Dr. Sheard, M.P. said the Dominion had declared an overwhelming confidence in Sir Robert Borden. It had shown that Quebec was no longer the dominant factor in the politics of the country. "The first duty is to conscript every dollar and every force to bring this war to a speedy and successful conclusion," he said, tablish real British institutions in Canada. We are not going to open our doors to the Chinese and the Jap o live on ten cents a day and take he balance away.

"I am going to insist as much as I can that every allen who comes to Canada will swear to use and speak Canada will swear to use and speak the English language and to fight for Canada when the time arises," he said emphatically.

The Alien Question.

Dr. Sheard attacked the system of not conscripting aliens and said that if their businesses increased the profits should be taxed and given to the country.

"The day of the combine and profiteer is past," he said. "Every public essential belongs to the people and must be controlled by the government. Canada's great resources belong to the people and not the capitalists."

He said the returned soldiers should have the best the country can offer. "We must give them a proper welcome and I am proud that the city has donated a million dollars to be devoted to the men from Toronto."

George S. Henry, M.L.A. East York, brought greetings from the East York, provincial Association. Touching the master of this procedures the master of the provincial association. upon the question of Chinese labor in Canada, Mr. Henry said there was never any intention on the part of the provincial government to import any Chinamen. Commissioner Creel-man had mentioned the matter in a purely academic way at a meeting in

In regard to the exportation of hydro-electric power, Mr. Henry said that if Canada expected the Unified States to allow the export into Canada of her anthracite coal, it must be willing to return something in ex-

change.
Touching upon provincial affairs,
Mr. Henry said the record of the
Hearst administrations Charged with assault and robbery, Myer Douglas, 9 Glendale place, a discharged soldier, was arrested on Whitney and Hearst administrations was one in which every citizen could Saturday. Myer is alleged to have assaulted and robbed a Miss Morris, take pride, and because of that ord the government could well afford to go to the province and ask for a a bookkeeper employed by the Bar-rabt Clothing Company, 136 Simcoe street, of \$260, which she was bringof the hydro development, the Chippawa scheme and the development of the fish industry in Ontario. It was the intention of the department to have dealers identified by a sign reading from the bank to complete the firm's pay roll.

As far as could be ascertained,

Myer walted for the girl in the hall ing "Government Fish."

About Street Cars. entered he snatched at the money and ran. He was arrested by the police-Mr. Henry was asked what support he would give to any proposal to se-sure legislation that would force the Toronto Street Railway Company to surply the 200 cars ordered by the railway and municipal board. He said the matter would receive serious consideration and he was sure every-thing possible would be done to assist the citizens to secure the necesary accommodation.

A member of the audience asked

city government to regard to placing more cars on its lines. Ald. Hiltz spoke briefly and in regard to the fuel shortage said he had been talking to a man who said the garbage of the city could be turned Christian Soldiers' and the classes marched out of the building without any excitement. According to the fire department last night there was from the garbage of the city could be turned into fuel that would give 20 per cent more heat than anthracite coal, and that 1000 tons a day could be secured from the garbage which Toronto

FIRST OF DRAFTED **MEN GO EASTWARD**

Two Contingents Entrain at Exhibition Camp for Training Ground.

TO HOLD CONFERENCE

General Officer Commanding Will Meet Representatives of Veterans.

Toronto Exhibition Camp witnessed the start for a training ground further east of drafts of infantrymen on both Saturday and Sunday. The drafts were from the 1st Battalion, 1st Central Ontario Regiment, Lieut. Col. John I. McLaren, commander. Altho each draft contained British-forn recruits from the United States, there was a proportion of men draft-ed under the Military Service Act these including, it is understood, a number of defaulters recently appre-hended. About 400 troops in all left the camp at the week-end, 300 of them entraining late on Sunday af-ternoon. Several hundred friends and relatives were at the train to see the troops off and give them a cheer. The crowd witnessing the send-off was partly made up of the Sunday visitors to the camp. Staff officers. Mayor Church and the Central On-tario Regiment brass band took part in the departure ceremonies, Soldiers in the special service com-

panies in Toronto and other military districts in Canada, who are in phy-sical category "C" and are bona-fide farmers, may in the near future be released to return to their work on the farms. This order has just been received from the militia de-

officers of overseas Highland units, when attached for duty with other active service units in Canada, to wear Highland uniforms, until the same is worn out. They must then wear the uniform of the unit to which they are attached.

Four hundred and ten men were ex amined by the Toronto mobilization centre during the week just ended. Of this number 268 were accepted for ac-tive military service. One hundred and fifty-three of them joined overseas infantry units and nearly 100 the

General Logie and his staff offi-county master; Wm. K. Stewart, workers are to hold a conference with the master; George H. Bush, deputy cers are to hold a conference with the Great War Veterans' Association executive to discusse the question of returned soldiers going overseas as officers. It was stated on Saturday by General Logie that returned men selected will be attached for training to the Canadian Officers' Training Corps. As soon as they feel able to qualify examinations for officers' rank token of appreciation of the brethren qualify examinations for officers' rank token of appreciation of the brethren will be held. The examinations are of the district for his services during only to be on essential subjects. New military appointments are an-
