tion of the Scotch system.

A resolution was adopted asking that the provincial government be empowered to institute a system of local banks having capital of \$10,000 the lack of sufficient wages. But orders-in-council were not thirected suicide.

WHAT IT MEANS

What was the meaning of the big labor meeting in Massey Hall last night? First a protest against government by orders-incouncil after the war is over; a demand for freedom of speech and a free press; and as an indication of the irritation against the absence of parliamentary government and against the imprisonment of men for the copinions, the big meeting cheered loudly when the name of Bolshevikism was mentioned. Tom Moore, president of the Trades

> against such atrocities as these. Mass meetings should be held every week until this reprehensible system of government was abolished. "Get acquainted with yourselves," was his

Frank Watkinson, business agent of the Brotherhood of Carpenters was pleased with the trend of affairs to date. The government evidently had no intention of interpreting the ordersin-council the same way as Magis-trate Kingsford. Only the fact of his being a representative of organized labor saved Cheesman from a longer term than six months at the nagistrate's hand. Labor, the slum bering giant, was awakening from a long slumber, and with (to the government) alarming rapidity. The government, he said, played for its friends, the ward heelers and hangers on, and had been in danger of forgetting the real workers.

Hisses and boos welcomed the name of N. W. Rowell, a member of the cabinet. This man nad asked for suggestions as to literature worth read ing, and Frank Watkinson had recommended the most treatises on economics that Karl Marx and his friends had published. "'but be careful,' I said to Hon. Newton Wesley, 'or you will be arrested under
