INCREASE OF THE ARMY.

Great Britain Prepares to Add 11,000 Men
to Her Fighting Force.London, Oct. 15.—The Daily Chronicle
this morning says it understands that
the budget for 1898 will propose an ex-tra grant of £1,500,000 to provide 11,000
additional men for the army and
some amelioration of the soldiers' lot
with a view of attracting recruits.

Congo Troops Won a Victory.

Brussels, Oct. 15.—The Congo troops
under Lieutenant Hendricks have won a
decisive victory over the bands of
Mandjara soldiers who revolted in
February last and murdered their officers,
and who have since been raiding the
country. Lieutenant Hendricks en-

countered the rebels near Lake Albert Ed-

ward Nyanza on July 15, and killed 400
of them. The survivors fled to the moun-

tains, where they are starving.

ST. ANDREW'S BROTHERHOOD

Holy Communion Celebrated

in the Morning.

FIRST BUSINESS SESSION

Opened in the Music Hall at Buffalo

at 10.30 O'clock.

Canadian Delegates Met by Themselves at

the Same Hour—Bishop DuMoulin of

Niagara Diocese and Judge Senkler

Presented Green's, and Reports on the

State of the Order in Canada Were

Handed In.

Buffalo, Oct. 15.—St. Paul's Church

was crowded with members of the Bro-

therhood of St. Andrew this morning,

when there was a corporate celebration

of the Holy Communion. Right Rev.

Edward Stuart Talbot, Lord Bishop of

Rochester, was the celebrant, assisted

by Rev. J. A. Regeister of Buffalo and

Rev. C. H. Coles, secretary of the Bro-

therhood of St. Andrew in the West

Indies. The service lasted from 6.30

a.m. to 9 o'clock. The audience was

composed entirely of men.

First Business Session.

President James L. Houghteling called

the first business session of the Broth-

erhood to order at Music Hall at 10.30

o'clock this morning.

The Canadian delegation met at the

same hour in Concert Hall in the same

building. After the reading of prayers

by Rev. Dr. Morgan, committees on

resolutions and nomination of council

were appointed.

The report of the Council, giving a re-

sume of the work of the officers during

the past year, was submitted, showing

a slow growth, the number of chapters

being 1236 in 1897, as against 1174 in

1896. The report, however, outlined a

spiritual growth, an improvement in per-

sonnel and members and efficiency in

work. The report was adopted, as was

the report of the treasurer, which fol-

lowed.

Greetings From Canada.

At this juncture the greeting of the

Canadian brothers was presented by a

committee, composed of Rt. Rev. Philip

DuMoulin, Lord Bishop of Niagara, and

Y. Satterlee, D.D., Bishop of Washing-

ton, D.C., and G. Harry Davis of Phila-

delphia.

A resolution was adopted, pledging the

proceeds of the self-denial fund for the

first week in Advent to the work in

Japan.

A Missionary to Japan.

Prof. Woods of Bay City, Mich., who

is sent to go to Japan as the repre-

sentative of the Brotherhood, addressed

the convention. He was followed by Mr.

Ochiai of Tokyo, Japan, a student at the

Western Theological Seminary at Chi-

cago, in a brief talk upon the work in

his native country.

The Committee on Bible Class Les-

sons' report was then submitted and ap-

proved.

The report of the treasurer showed an

apparent surplus of \$3,125.77, "which,"

the treasurer significantly added, "would

be a cash fund in the treasury if the

members met their obligations when due.

The receipts for the year were \$20,-

087.26, the assets \$10,563.31 and the

liabilities \$14,150.4.

The Canadian Report.

The seventh annual convention of the

Canadian Brotherhood of St. Andrew,

in Concert Hall, was presided over by

N. Farrar Davidson. The Council re-

ports showed 92 chapters and 732 mem-

bers; receipts and disbursements \$64,000.

The present active strength of the

Brotherhood chapters by dioceses is as

follows: Toronto 28, Fredericton 15,

Huron 15, Nova Scotia 14, Ottawa 15,

Montreal 15, Niagara 11, Ontario 8,

Rupert's Land 5, Algoma 4, New West-

minster 2, Quebec 2, Newfoundland 1,

Quebec 1, British Columbia 1.

The number of subscribers to St. An-

drew's Cross reported by the 32 chap-

ters is 312, but the total number of

Canadian subscribers is about 1000.

The present estimated active strength

of the Brotherhood in Canada is 133

chapters and 1200 members.

The question of the forming of a self-

denial fund was discussed, the matter

being referred finally to the Committee

on Resolutions.

Brotherhood of St. Y. Satterlee, Bishop of

Washington, pronounced the benediction

which closed the seventh annual busi-

ness session of the Brotherhood of St.

Andrew in the Dominion of Canada.

Address by Archbishop Nuttall.

At 11.45 the Canadian delegation re-

turned to Music Hall, and the combined

meeting was then addressed by Most

Rev. Enos Nuttall, D.D., Archbishop of

Jamaica, relative to St. Andrew's Cross,

the organ of the Brotherhood, and ur-

ging hearty support of it. He compared

certain religious men with a patient of

a doctor whom he knew well, who cer-

tified that the invalid had "congestion

of theological parts of his skull." Pres-

ident Longhelling followed with a short

talk on the same subject. It being the

hour, prayer was offered by the

Bishop of Utah.

Sequel to an Hour's Speaking.
