Winnipeg, April 9. - President Louis Hill, of the Great Northern Railway Company, said yesterday: "The Great Northern system is endeavoring to secure mammoth terminals in Chicago, already secured all the land necessary for handling business for years to come in Portland and Seattle. If our Canadian plans do not miscarry I expect within the next ten years to have a railroad system there which will be almost an equivalent of the Great Northern system as it is today in the United

States. "In the Canadian west we will touch Winnipeg, Brandon, Regina, Calgary, Edmonton, probably Prince Albert, and it is very likely that we shall traverse the Peace River country with a line several hundred miles further north than any line contemplated by any of

the present Canadian systems. "I cannot tell you at this time when construction will actually begin. Our rethe field, and their reports will deterhave been busy in the Minnesota woods license department under the control be used by the Great Northern exthis winter getting out ties which will of one board of commissioners for the clusively in building extensions in whole province, and to remove the local Canada.
