57TH YEAR. NO. 22764

THE LONDON ADVERTISER, LONDON, ONTARIO, FRIDAY EVENING, JULY 16, 1920.

PRICE THREE CENTS

KITCHENER MAN TO SHOOT NIAGARA FALLS IN BARREL THAT HE SAYS WILL HOLD

John Prodanuk, a Native of Austria, Will Endeavor to Convince World That Prof. Stephens Sacrificed His Life Because He Failed in Plans to Construct Barrel of Sufficient Strength—Declines to State Date on Which He Will Make Trip.

[Special to The Advertiser.]

Kitchener, July 16 .- John Prodanuk of Breithaupt street, this city, has announced his intention of shooting Niagara Falls in a barrel to show the world that Stephens failed in the stunt because he fell short in his plans of barrel construction. The Kitchener man claims he has plans for & barrel which will be impervious to the buffets of the cataract. He would not divulge his arrangements at present. It is expected he will have his barrel constructed in Waterloo. Asked by The Advertiser if he had concluded on a date for his trip, Prodanuk declared he preferred to remain silent on to the west last week-end, although she may be made to the west last week-end, although she mentioned accomplishing the he fell short in his plans of barrel construction. The Kitchener for his trip, Prodanuk declared he preferred to remain silent on that point. He was formerly a shoemaker at the Kaufmann rubber plant here. Prodanuk came to this city from Austria nine

FORGED WHISKEY LABELS LEAD TO ARRESTS OF TWO

Montreal Men Apprehended at Instance of Walkerville Firm.

ARE RELEASED ON BAI

H. Walker & Sons, Limited, Will Insist on a Thorough Investigation.

[Special to The Advertiser.]

Nontreal, July 16.—Following the many forgeries of labels and the sale canada and the United States as in Canada and the United States as shown in the recent arrests at Detroit, two men were arrested yesterday afternoon here on two charges, first of having secured \$15,000 under false pretences for the sale of 500 cases of rye whiskey and a further charge of having torged the registered label and attached the same to spirituous liquors. be same to spirituous liquors.

The warrants for the arrests of the two men were sworn out yesterday by representatives of the Hiram Walker firm of Walkerville, at the instance of their legal advisor, Charles Gaudetki. It was alleged in the warrants that the two men arrested had forged labels of the Walker firm and had affixed these labels to goods exposed for sale and sold with the intention of deceiving the public was named after the Cavendish family, the public. The two men were also charged with securing money under false pretences. This latter charge was laid by Mr. J. A. Davis of Detroit through his attorney, Peter Bercovitch, K. C. Mr. Bercovitch alleged that the accused had secured \$15,000 from his client by false pretences in selling him what was supposed to be Walker's Canadian rye. But which, he claimed, was really a paisonous substitute containing what was supposed to be Walker's Calladian rye. But which, he claimed, was really a poisonous substitute containing

Receive Preliminary Hearing. The preliminary hearing came before Judge Cusson yesterday when the two accused appeared and pleaded not guilty They were represented by Mr. Dan Mc-Avoy, K. C.

Avoy, K. C.

Judge Cusson fixed bail for the accused at \$5,000 each, which was furnished, and the two men were released on bail. It is expected they will come up for trial about the 20th, the delay being due to the fact that both judges and lawyers are at present on vacation. Mr. Gaudiet who represents the Walker distillery, stated yesterday afternoon that the matter was being forced to a conclusion by the Walker firm, owing to the prevalence of the ferced to a conclusion by the Walker firm, owing to the prevalence of the infringement of their labels and trade marks by the sale of spurious and even potscnous liquors with forged Walker

The sale of liquor in question, it was stated by Mr. Gaudet, consisted of 500 cases of alleged Walker's whiskey, which was shipped from Montreal to Dewhich was snipped from Montreal to De-troit as potatoes. The shipment was stopped on the way, and it was stated in court yesterday by Mr. Bercovitch that on examination it had been found to coptain a poisonous quantity of wood Four search warrants were taken out Four search warraits were taken our yesterday by Mr. Gaudet, K. C., on behalf of the Walker firm, with the result that a quantity of liquor with forged labels and other incriminating material

168,000 QUARTS OF LIQUOR SHIPPED IN 3 DAYS TO WINDSOR

Windsor, July 16.—Fourteen thousand cases of liquor—168,000 quarts—have been shipped into Windsor within the past three days, it became known topast three days, it became known to-day, when operatives of the Ontario license commission sent to the border to put into effect new plans for curb-ing illicit traffic in whiskey, gave out particulars of the finding, in connection with the hearing of R. S. Langlois, a resident of Loiselleville, whose stock of liquor, 199 cases, valued slightly in excess of \$7,000, was ordered confis-cated. Immediate notice of appeal was given by Langlois, who will carry the case to Toronto higher courts, main-taining the liquor was for his own per-sonal use in years to come. sonal use in years to come.

The Langlois case is the first step in the campaign being waged here by the attorney-general and the Ontario license commission, in co-operation with local authorities, and is in the in years to come. nature of a test case. Delivery of all the consignments em-braced in the 14,000 cases shipped here already this week is being held up by (Continued on Page Three.)

LONDON IS BIG. OR WORLD IS **VERY SMALL**

Slip of Paper Left On Mountain Finds Its Way Back.

FOUND BY MINISTER

Returned to Advertiser Office With Letter From Alberta.

Either the world is very small, or London, Ont., is very big.

It's just the way you look at it. Perhaps, Mrs. Janetta Brown, of 13 Kitchener avenue, will be surprised to learn that the slip of paper which she left at the top of Tunnel Mountain, near Banff, Alberta, a week or two ago, has been returned to London so soon.

At the nearest grocery store which The Advertiser telephoned on failing to receive an answer from Mrs. Brown's had not mentioned accomplishing the feat of climbing to the peak of Tunnel

Was Sent Back.
Inclosed in a letter to The Advertiser,
from Mr. Charles O. Learn of 807 Talbot street, who has been visiting his son, Dr. C. R. Learn, a physician in Banff, was a slip of paper, on which the words, "Londoner," "London, Ont.," and "Kitchener avenue," were decipherand "Kitchener avenue," were decipherable without too much difficulty. What looked as if it might be meant for "Brown" was preceded by part of a name left where the paper had been torn, which suggested "—etta." And in the city directory was the name, "Mrs. Janetta Brown, 13 Kitchener avenue." The substance of the note before it was torn probably was "The first Londour who reads this just answer

Peterboro board of agriculture.

"The Government at Ottawa is as bad as your roads," he confessed to the amusement of the farmers present.

Several other speakers were present, including Mr. E. H. Stonehouse of Toronto, who spoke on the milk situation.

NOT BEING CHECKED BY CITY ENGINEER

STREET CAR SERVICE

Men Are Anxiously Awaiting Report of Railway Board.

WILL REMAIN AT WORK

Not Completely Satisfied With Results of 48-Cent Schedule.

The first month's operation of the street railway by the Ontario Railway and Municipal Board under the 48-cent wage schedule has been completed. While not completely satisfied with results, the employees will remain at work for the remainder of the summer. They are awaiting the first report of the board to determine whether they will receive anything in addition to the wage scale.

With this understanding in view, City With this understanding in view, chy Engineer Brazier has not made any check on the service given under railway board management, and is not contemplating doing so. He stated to The Advertiser that he did not know whether he had the power to regulate the schedules. It was a point which would have to be settled by the city solicitor.

GREEK FORCES HAVE ANNIHILATED TURKS, SAYS SMYRNA REPORT

Major Venizelos, Son of Greek Premier, Commanded Artillery.

Smyrna, July 15.—An official communique issued from army headquarters today says that the advance guard of the Greek forces has reached a line fifteen kilometres beyond Brussa.

"We annihilated the enemy entrenched in the region of Brussa, capturing all his artillery," the statement adds. SHOWED TREACHERY.

GERMANS SEEKING OF TERMS OF PROTOCOL ON COAL; DELAYING REPLY TO

Teutons Object to Clause Providing for Occupation of the Ruhr Valley Until Coal D eliveries Reach Total of 6,-000,000 Tons by October 15-Dr. Simons Declares This Point Was Not Raised at Conference.

AGREE IN PRINCIPLE. Spa, Belgium, July 16 .- (By the Associated Press). - The German delegates at the conference here have agreed in principle with the terms submitted to them by the Allies as to Germany's deliveries of coal, but will ask for the explanation of certain articles in the Allied note. They made this announcement just before entering into conference with the Allied ministers here this fogenoon.

From what could be learned during the morning the thing that was standing in the way of acceptance by the Germans of the allied terms was the clause providing for occupation of the Ruhr valley until the coal deliveres eached a total of 6,000,000 tons by Oc-

Dr. Simons, the German foreign min-ister, told his colleagues when they met to confer over the allied conditions that this subject had not been mentioned

wage scale. Service has naturally been depleted by the removal of a number of cars from some lines. Only a one-way service has been maintained on the Ottaway and North Belt lines. The cars from these lines have been used for an additional service on Dundas street, particularly during the rush hours. This does not satisfy all those who have had something to do with the problem. It was rumored in city hall circles today that an investigation would be made to determine whether the city engineer has control over the schedules now as he did when the road was operated by the company. It is doubtful whether this will receive much support, as it was fairly well understood during the negotiations that the council would be glad to have the cars running again and would connive at minor defects in the service and schedules. With this understanding in view, City Training into contending into conference here sent word to the subsociated by the Carnan delegation at the conference here sent word to the support and the problem. It was rumored in city hall circles today that an investigation would be made to determine whether the city engineer has control over the allied conditions that this subject had not been mentioned during his conversation with Premiers this subject had not been mentioned this subject had not be
