According to Policeman Gilgan, who was on duty near the scene of the accident at the time, the car was westbound on the of Queen street, and traveling at a fairly fast speed. When opposite the pole the car suddenly swerved toward the sidewalk and struck it with considerable force, about four feet from the bottom. The heavy concussion caused the pole to snap at the thin end near the top. The weight of the pole caused a second break near the butt, and the Austrian, who was passing, was struck on the head by it and knocked down. Moffatt, Edwards and

Vitality is what You Need.

That is the real remedy, want of it the real cause behind all your

trouble. You have only white blood in circulation because the

batteries of vitality are running down, and the organs they control

cannot properly draw nourishment from what you eat.

Re-charge those batteries, get life-force, vital strength, and all that will

be changed. In your case a specialist would prescribe just such vital

restoratives as are contained in Dr. Cassell's Tablets. Take those
