Let Us All Give Thanks This Year

As individuals and as a nation—let us give thanks this year for the Union Jack, the emblem of Universal Liberty; for the British Navy, that has maintained the supreme position of the Union Jack on all the Oceans of the world; for the gallant Army in khaki that is standing between us and the enemy. Let us also give thanks most devoutly to a Gracious Providence for the bountiful crop that we have been favored with in a year when we have greater need of it than ever before in our history.
