Save Time and Labor

"Hot Point" Vacuum Cleaners are exceptionally well made, with very special features, a few of which we mention below:

Floor Sweeper, a 14" suction shoe with revolving brush driven by two belts, and has roller bearings. The motor is specially air cooled, giving the machine a greater suction power and longer life at the same cost. Handle has a self-locking device which holds it upright when not in use and can be set at any angle. Attachments—There are seven separate pieces which are easily attached for cleaning the walls, draperies, mattresses, pillows and furniture. The machine is light and easy to handle and does not quickly get out of repair. Complete with attachments, \$50.00, and without, \$40.00.
