AURA LEE ONE GOAL UP ON KITCHENER

S. P. A. Senior Series Winds Up With Thrilling Fixture—Came From Behind.

Aura Lee successfully defended the senior S.P.A. Cup last night by defeating Kitchener in a desperate battle, 6 to 5. The Avenue road club had come from behind to get the verdict and the right to hold the silverware until next season.

In a trifle better condition than the visitors Aura Lee had a margin. The western Ontario team blew out their tenses with a desperate effort in the second period that landed them ahead 5 to 4 after forty minutes of play and had nothing left to stop the fast-moving red and white Toronto team in the last twenty minutes of play.

Sweeping into pretty passing plays the work of the visitors had a dash that caught the eyes of the big gathering, and any time that Kitchener was within shooting distance he was a mighty dangerous man. Kitchener stuck to the passing game all thru, but he failed to get a tangle on the local forwards. Hillier was the pick of the team, but failed to attack in the second, and averts easily best, but only showed in spurts in the final, and on the play Aura Lee earned their victory.

Winners Consistent. Aura Lee's work was consistent. They checked smartly and with enough snap to it to knock the smooth-sailing Kitchener from line off their stride time after time. Hogarth and Connacher were a tower of strength and it was their grand blocking that kept Kitchener out in the opening period, when the visitors were fresh and ready to break down with a fusillade. The Kitchener front line had a tangle on the local forwards. Hillier was the pick of the team, but failed to attack in the second, and averts easily best, but only showed in spurts in the final, and on the play Aura Lee earned their victory.

Goalers Were Great. The net-minding honors were about even. Both Stewart and Hainsworth were in mid-season form and picked off shots that looked sure. It was a pretty exhibition by two boys that stand just about on the top rung in their position. The local goalie was superior to the Kitchener pair. Connacher stamped himself as about the best defence man in the game, and his work last night. He was hard to pass and on the offensive was a bear. His hard shot, that travels for the corner of the net, had Hainsworth worried. Connacher picked off three tallies with this wizard.

A Lively Tilt. Both sides did most of their shooting from outside the defence. Then they had the range. The fact that Aura Lee had a two-to-one margin in goals this period. Connacher and Hogarth did yeoman service, keeping out the slippery Kitchener forwards, who swept into nice three-man passing, but couldn't slip thru the defence. The pace was hot with Aura Lee forwards checking strongly and breaking up many plays. A lot of dash and speed in the game, and it was a pretty exciting one. The big Aura Lee defence man grabbed the first counter by closing from left boards and landing a hard left-high into the corner of the net. Both goalies pulled sensational stops. Parkes evened it up by beating Stewart with a shot from outside the defence. Then they went at it like madmen again. Stephenson put Aura Lee in front from just outside the defence, with a high shot that got into the corner of the net. There was no further scoring in the period.

Kitchener put their best looks into the second round. They swept their attack in close and Kitchener was especially dangerous with his snap shots. It was a pretty attack and soon put the Kitchener team in front. Parkes raced up, shot from outside the defence and Clarke raced into the corner to grab the rebound and shoot it back into the net.

Merrick and Hillier engineered the next goal. They passed back and forth until Hillier was thru the defence to get the pass and then scored. Box slammed one at Stewart. Kitchener was especially dangerous and caught it and Hillier raced in and slapped him over the fingers. Stewart threw the puck back and the referee gave him a penalty. Hainsworth did some fine clearing. Things looked bad when Hillman was in the penalty box at the time. Burch sailed thru alone for an just before the bell in the hands of the referee went. This left 5 to 4 for Kitchener. The timers' bell had rung, but the officials on the ice had not heard it and the goal counted.

Finished Strong. Kitchener faded in the last 20 minutes. Their attack was only in spurts, and they did not score. The fact that Aura Lee had a two-to-one margin in goals this period. Connacher and Hogarth did yeoman service, keeping out the slippery Kitchener forwards, who swept into nice three-man passing, but couldn't slip thru the defence. FIGHT JOE LYNCH NEW BANTAM CHAMPION EARN'S DECISION OVER PETE HERMAN

HAMILTON'S GREAT PRO INAUGURAL

Canadiens Are Whitewashed—Dye Scored First Two Goals—Matte the Star.

Hamilton, Dec. 22.—Hamilton inaugurated the local professional season here tonight by defeating the Canadiens of Montreal by a 5-0 score. The game was a one-sided affair, the Tigers having a decided advantage in every department, except goal. It was here that Vesna proved a saving grace and saved his team from an ignominious defeat. Canadiens showed lack of condition, and it is really remarkable that they put up such a clever performance despite their handicap. Neway Lalonde, the Canadiens' leader, before the game explained that his team was in pretty bad condition. However, with characteristic gameness, he gathered together his team of veterans and tried to make the best of things. It is doubtful if Hamilton would have been so successful had it not been for the fact that the Canadiens had had no previous practices, and if Dye were allowed to remain with the Canadiens, instead of being loaned to Hamilton to help them in their game. Dye, besides scoring two goals for the local squad, was particularly effective in the checking. He broke up several rushes that looked dangerous, and otherwise made himself conspicuous. Canadiens, when they have had regular practices, will prove a much more formidable team than the one presented tonight. Hamilton should also improve.

Joe Matte was the best player on the ice. From the beginning of the game he instilled real enthusiasm into the squad, and was responsible for engineeing several neat plays. He was directly responsible for his team's first two goals, passing the puck to Dye when Lalonde, the defence, was in a bad position. Matte, no doubt, could have scored himself, but he checked to give Dye the chance, and his confidence was not misplaced. Matte scored Hamilton's fourth goal in the second period on an individual effort. Carpenter, partner on the defence, proved an able assistant, and looks like a real find. Producers, Carey and McDonnell, played good hockey on the forward line, but Carey's work was the most outstanding. Carey is not a heavily built, but on his performance tonight he can hold his own in any company. His playing was high spirited, and he contributed an exceptionally fine play in the second period. McCarthy and Lowrey were not on the ice long enough to make much of themselves. McCarthy recently got out of a sick bed, and is none too well to play hockey. He was thought to be in the game at all. Next to Vesna, Lalonde was Canadiens' best player. The veteran of many a hockey game tried every available piece of strategy, but he was playing against hopeless odds. Mummery and Corbett on the defence showed flashes of old-time form.

First period.—Dye first goal. From the race-off Hamilton assumed offensive measures, and only a miracle saved Montreal. Matte, for Hamilton, however, secured a goal on a pass from Dye. Carey and McDonnell played good hockey on the forward line, but Carey's work was the most outstanding. Carey is not a heavily built, but on his performance tonight he can hold his own in any company. His playing was high spirited, and he contributed an exceptionally fine play in the second period. McCarthy and Lowrey were not on the ice long enough to make much of themselves. McCarthy recently got out of a sick bed, and is none too well to play hockey. He was thought to be in the game at all. Next to Vesna, Lalonde was Canadiens' best player. The veteran of many a hockey game tried every available piece of strategy, but he was playing against hopeless odds. Mummery and Corbett on the defence showed flashes of old-time form.

Second period.—Hamilton, from the outset, proceeded to assume offensive measures, and four minutes had hardly elapsed before Carey scored Tiger's third goal on a shot from inside the defence. Lalonde made a pretty save when Arbour caught sight of a loose puck in front of the net. It was a close shave. Canadiens looked to have scored a goal from a mix-up in front of the Hamilton net, but Benoit ruled otherwise. Lack of practice began to tell on Lalonde's crew, and they elected to play their own defence for a time. Matte, Carey and Producers rained a fusillade of shots on Vesna, but whether it was good goalkeeping or not, he stayed them off. Mummery was penalized for applying the hockey on Carey. Matte put Hamilton further in the lead when on an individual rush, he rushed his way thru the Canadian defence and slipped past Vesna. Producers scored Hamilton's fifth and last goal on an individual rush. Matte was banged against the boards, but he came back and scored a goal into the lights when he tested Vesna on a couple of bullet-like shots. His effort was the best of the night. He had been playing a stellar game, retired in favor of Corbett. Matte returned to his regular position on the defence before any damage was done.

Teams and Summary. Hamilton.—Goal, Lockhart; defence, Matte and Carpenter; forwards, McCarthy, Dye, Vesna, and Carey. Montreal.—Goal, Vesna; defence, Mummery and Corbett; forwards, Lalonde, Carey, and McDonnell.

There is a long list of entries, and the program will be exciting from start to finish, and should be the topic with many sportsmen whilst carrying the Christmas turkey. There will be no admission charged to see these races.

FORDHAM'S HOCKEY. New York, Dec. 22.—Harvard, Princeton, Pennsylvania and Hamilton are on the Fordham College hockey schedule. It is announced today. Games are being played with Yale and Boston College. The Harvard game will be played at Boston and the other contests here.
