

CITY TAXPAYERS WHO CONTRIBUTE \$500 OR MORE TO THE SAINT JOHN TREASURY

A complete list of the larger taxpayers of the city, those paying \$500 or more into the city coffers, is given today. The list is a long one, and the fact that it is longer than last year seems to indicate an increase in the wealth of the city's taxpayers, as well as a small increase in the assessment.

The list is one which is of considerable interest to those included in it, who have been waiting to learn what they will be asked to contribute this year, and also to those who like to know how easily or otherwise their neighbors are escaping. The information given includes the real estate, personal property, income and total taxes in each case.
