

A. A. U. OF C. LIKELY TO ORDER MAIL VOTE REGARDING M. P. B.

INTEREST OVER MEET HERE PARENT BODY

Formation of Separate
Branch Likely to be Left
With Clubs

THE stand to be adopted by the Amateur Athletic Union of Canada regarding the formation of separate branches of the union in the Maritime provinces is a subject of much discussion in sporting circles. Already New Brunswick and Nova Scotia have drawn up provisional officers of distinct branches and seem determined to carry their plans for the formation of provincial bodies through to a finish. They will take their case to the Canadian body to be decided at the annual meeting here on December 8, 9 and 10. On the other hand, M. P. B. officials, with the support of several Maritime amateur clubs, are determined to block any action on the part of those behind the new movement. There are a number of clubs in the Maritimes, particularly in Moncton, who are strongly opposed to any change and who in the past have opposed any change and stuck to the old order. These clubs have announced their intention of opposing any requests for a change.

With this in view the only stand left for the A. A. U. in all fairness to every club in the Maritimes will be to pass the buck back to the clubs. A mail vote with every affiliated club in the three provinces casting a ballot would appear to be the only fair way to arrive at some definite stand on the matter. In the past meetings have been called out owing to heavy traveling expense, many clubs have been unable to attend them and thus have been deprived of a voice in the matter. Revelations at the special meeting held at Amherst recently showed the present state of affairs in the M. P. B. to be a most regrettable one. Charges that officials had participated in the raiding of professionals into the ranks of the union were made and commissions were appointed to investigate them. To date no reports have been made public by these commissions.

Clubs who attended the Amherst meeting did so with the intention of having the present state of affairs cleared up. Apparently their efforts have been to no avail. The question at present is, who is to blame for the lack of action on the part of the commission? One opinion is that the commission has been instructed to have a report ready within one week. Many weeks have passed and no report has been made public. It would appear that the blame rests with the officials of the M. P. B. for not demanding action. Many clubs who formerly favored the present body are now advocating a change because of this lack of action.

The movement for provincial bodies which began in this club is growing. In Nova Scotia it is receiving even more support than in this province. No action can be taken on the matter, however, until every club in the Maritime Provinces has been given an opportunity to voice its opinion. At Amherst President Sam Doyle, of the M. P. B., referring to a resolution concerning the demands of the A. A. U. to recognize the demands of the Maritimes that he would ask for a vote of secession from that body. President Doyle is right in his demands for recognition but his statement regarding secession from the A. A. U. is trading on the brink of dangerous territory. An secession is too strong a word and is not to be taken. The show-down will not be at the annual meeting after the clubs have made their stand clear.

Will Play Under Modified Boys' Rules — Four Teams Are In

A ladies' basketball league, to play under modified boys' rules, was formed at a meeting held last evening at the home of Miss G. L. Johnston, 130 Waterloo street, when four teams were represented, namely Central Baptist, East Saint John, West Saint John and Trojan Rovers. The officers elected were: President, Miss Muriel McAllister; vice-president, Miss Gladys Johnston; secretary-treasurer, Miss Dorothy Norwood. The four teams represent four different clubs of the city and when the league was organized last night there was the possibility of having three other teams also join in the league playing boys' rules. The meeting was adjourned until Monday evening, Nov. 15, when the officers of the league and representatives of all the teams wishing to play modified boys' rules will meet at 8 o'clock at the home of Miss Johnston, Waterloo street.

Wants Increase and Free Hand With Cards

ST. LOUIS, Mo., Nov. 10.—Rogers Hornsby, playing manager of the St. Louis Cardinals, is expected to request a substantial increase in salary next season. He has never signed a manager's contract, but his players contract expired this year. Although he has made no public statement, it is known that Hornsby is the club's second largest stockholder, will ask President Sam Breadon for a free hand in managing the Cardinals without interference from Branch Rickey, former manager, and now vice-president of the club, whose activities among the players Hornsby is known to have resented.

Athlete Stops Use of Name For Advertising Purposes

DETROIT, Nov. 11.—Benny Friedman, who captained the University of Michigan to a Western Conference football championship Saturday, won a personal tilt here with Benny Friedman, Inc.

With Robert M. Tuna, prosecuting attorney acting as referee, an agreement was reached whereby Benny Friedman Inc. will discontinue using the name of Benny Friedman in advertising the merits of its floral shop.

Captain Benny Friedman came to Detroit visibly upset by rumors that he had been capitalizing on his football fame through the Benny Friedman floral shop. "I am a football player, not a florist," he said, "and I am determined upon a showdown."

The Better Business Bureau was called upon after Benny Friedman of Ann Arbor had had heated words with Benny Friedman, the 50-year-old head of the floral shop. The affair then was moved over to the prosecuting attorney's office, where Benny, the forward passer, sought a warrant for Benny of the flowers.

After much conversation and argument with the prosecuting attorney, Benny Friedman agreed to stop using the star's name in advertising.

Hockey Notes

Harry Cameron, veteran, and Ronald Moffat, recruit, are the only members of last year's Saskatoon team remaining the property of that city. Cameron is said to be manager of the new team which is to be formed.

Coch Frank Shaughnessy is reported as having plans for entering McGill University hockey team for competition in the senior group of the Quebec Amateur Hockey Association this year.

Barney Stanley, coach of the University of Toronto, and for a short time coach and manager of the New York Rangers, has been refused his amateur card by the Ontario branch of the Amateur Athletic Union of Canada.

Barney Stanley, former owner and manager of the Edmonton Eskimos, may be seen in Winnipeg this season managing the Winnipeg Maroons in the Western Hockey League. It is reported that Stanley is to dispose of his Edmonton holdings and buy the Winnipeg rights.

Lengthy stories are coming from the Pacific coast intimating that next year will find the National Hockey League so divided as to make a United States league a Canadian league. The reports also say that Frank Patrick, former head of the Pacific Coast League, would be present at the meeting.

Perhaps some of the eastern owners will have something to say on this matter, and the league is doing very nicely and likely to continue as president regardless of how the N. H. L. is divided.

Alphonse A. Lacroix, spare goalie of the Canadiens last year, has reported for duty. He will probably be carried to spare the new goalie, George Wainwright. Lacroix is a former Boston amateur goalie.

Leo LaFrance, Duluth forward last year, apparently does not wish to report to Canadiens, but the latest indications are that if he does not report within a specified time he will draw suspension from all leagues.

The following were selected on the board of referees for the new Canadian Professional Hockey League: L. E. Marsh, M. J. Rodden, R. A. Hewitson, Kenneth Mallen, McMaster, Wallace Hen, Thomas Munro and Thomas McNeill.

Harry Holmes, goalie of the Victorias, western champions last year, is reported to be a holdout from Detroit at present. The Detroit lineup, being over six feet tall, Frank Fredrickson, Harold Halderman, Eric Rolin, Arthur Duncan and the Niagara Falls franchise in the new Canadian Hockey League to the New York Canadiens.

Efforts to sell or lease the Niagara Falls franchise in the new Canadian Hockey League to the New York Canadiens have met with refusal at a recent meeting of the C. H. L. A franchise to be sold for \$40,000 in 1927, was the statement made by Col. J. S. Dennis, head of the Canadian Pacific Department of Colonization and Development.

Montreal, here today, Colonel Dennis is making an annual fall trip through the West, visiting the different offices of his department and attending meetings of the various organizations connected with it, and endeavoring to speed up the movement of desirable colonists to Western Canada.

Moncton Golfers Choose Officers

R. P. Dickson, President; Nine Hole Course May be Extended

MONCTON, Nov. 10.—The Riverdale Golf Club of this city concluded a very successful year, according to the reports submitted to the annual meeting held here tonight. The president, Alderman Budd A. Taylor, was in the chair. There has been a slight increase in membership over the previous year while the year's operations had been very successful financially.

The proposal was put forward to extend the present nine hole course during the coming season. At the election of officers for 1926-27, the following were chosen: President, R. P. Dickson; directors, Alderman B. A. Taylor, Mrs. George L. McCoy, J. L. Macdonald, F. E. Donnelly, M. J. Murphy, E. W. Givan and P. W. Allen; secretary, C. J. H. Parker; treasurer, S. J. In preliminary games the Gips team will tackle the Norwegian Turn Society five and the Vikings will oppose the Norge team. The final game will be between the winners of these two contests.

EXPECT GOOD GAME HERE ON SATURDAY

Trojans and Canucks Will Meet in Test on Allison Grounds

Something that football fans have been waiting a long time to see is about to become a reality when the Canucks, winners of the City and County Football League, meet the Trojans on the Allison grounds at 3 o'clock Saturday afternoon. This is the first time this season that the Trojans have played against Saint John team, and a good game is assured. The Trojans have been ruling supreme in senior football in Saint John for the last few years, and now the Canucks, with only one year of senior football, this being their first, are out to make a good showing against the Trojans, and win if possible.

A great deal of interest should be aroused over the game as the winning team, though not officially, in most people's mind, will be looked upon in Saint John as the best senior team. Both teams are presenting their strongest line-up, so that the losing team will have no alibi in that respect.

Is Optimistic Over Immigration Matters

CALGARY, Nov. 11.—That the movement of settlers to Canada this year showed an encouraging increase compared with last year, and that the total would reach 100,000 as against 84,000 in 1925, was the statement made by Col. J. S. Dennis, head of the Canadian Pacific Department of Colonization and Development.

Montreal, here today, Colonel Dennis is making an annual fall trip through the West, visiting the different offices of his department and attending meetings of the various organizations connected with it, and endeavoring to speed up the movement of desirable colonists to Western Canada.

DEMPSEY MUST PROVE RIGHT TO TITLE BOUT

Former Champ to Have First Crack at Title, if Right

NEW YORK, Nov. 11.—Gene Tunney's next opponent in defense of his title will be Jack Dempsey, provided the former champion satisfies Tex Rickard as to his condition.

It is understood that Tex has an agreement with Jack, whereby he is to himself to the mountains for several months and lead the simple life. Then he is to return to the ring to meet two, possibly three opponents, selected by Rickard.

These bouts will serve as trials to determine Dempsey's right to demand a return bout. If the ex-champ polishes off the rival contenders, the halfway for another bout between Tunney and Dempsey will be on.

Many of the ring experts are not sure that Tunney is the better man. The consensus is that Dempsey didn't train properly for the bout that cost him the championship.

The opinion is held, that while his physical condition was all that could have been expected of a man out of the ring for three years, his boxing technique was sadly off.

Y-Notes and Nationals Win Games Last Night

WINNIPEG, Nov. 11.—The Y-Notes and the Nationals played two very fast and hard fought games last night. The Y-Notes met the Other Y's Club in the first game and by playing a hard checking game and making good on most of their chances, they ran up a score of 25 to 7 in the first half.

The second half saw the Other Y's Club fighting desperately to wipe out the lead and soon the game became extremely rough and the Other Y's Club climbed steadily up until it looked as though they were going to win, but at this point the Y-Notes strengthened their line-up and pulled the game out of the fire, 32-26.

In the second game the Nationals won another victory to their string when they disposed of the Uptarts. The game was all to the Nationals in the first half but the Uptarts made their real bid in the second half and while not proving dangerous, uncovered a few flashes of many combinations. The Nationals won, 48-38.

The line-ups: Y-Notes—Turner, G. Murray, R. Smith, G. Wark, S. Reed, A. Sinclair, C. Barbour.

Nationals—R. Boyce, F. Yeomans, A. Witterton, F. McLean, W. Pollard, Uptarts—Urquhart, R. Shaw, R. Patterson, R. Rockwell, D. Robertson, W. Curran, B. Joslyn.

CHARLOTTE, N. C., Nov. 11.—Sixteen of the world's foremost automobile drivers competed today to set new records in the American championship sprint races at the Charlotte Speedway in two events of 25 miles each, one of 50 miles and one of 100 miles.

Purses aggregating \$20,000 were offered the winners. There also will be a contest among mechanics to determine which one can change tires the quickest. This will be the first time such a contest has been held at an official race.

Among the entrants in the races are Harry Hart, 1926 champion; Peter De Paola, champion last year, and Frank Lockhart, runner-up in this year's races.

MAROONS WIN.

STRAITFORD, Ont., Nov. 10.—Stratford fans were given their first taste of professional hockey here to night when the Stratford Maroons clashed with the Montreal Maroons, world's champions, in an exhibition game. The visitors won by a 2 to 1 score but the fans saw a pretty fair game of "pro" hockey. Mayor D. R. Marshall faced off the puck before a crowd of about 1,600 fans.

MAROONS SUFFER FIRST CASUALTY

Joliat, Star of Montreal Team, Unable to Don His Skates

MONTREAL, Nov. 11.—Aurel Joliat, left wing player of the Montreal Canadiens, and rated one of the clearest scoring forwards in the National Hockey League, is the club's first casualty, though he is not seriously injured. Joliat was unable to don skates for yesterday's workout, due to a considerable swelling on the back of each foot. Medical examination revealed that he is suffering from bruised heels, but that there was no infection. He was ordered to rest for a couple of days, and is expected to be back in action by the end of the week.

ILL-FEELING ORIGINATED LAST SPRING

Insults and Jeers in Harvard Lampoon Also Contribute to Rupture

CANADIAN PRESS
PRINCETON, N. J., Nov. 10.—All athletic relations between Princeton and Harvard Universities were broken off today, Dr. Charles W. Kennedy, chairman of the Board of Athletic Control, announced.

Princeton was willing, Dr. Kennedy said, to finish such events that were on the present schedule, but he deemed it "inadvisable."

The action was taken this afternoon at a meeting of the board at which was present President John Grier Hibben in the capacity of ex-officio member. Dr. Hibben announced the severance, with his approval.

CLIMAX CAPPED.
Dr. Kennedy intimated that the climax was capped by the receipt this morning of a copy of the resolutions adopted by the Harvard board.

The last paragraph of a letter to William J. Bingham, chairman of the Board of Athletic Control of Harvard, reads as follows:

If I may also add that Princeton, so far as it is concerned, would never accept the implications of the athletic policy recently adopted by the Harvard committee on regulation of athletic sports as set forth in their resolutions of Oct. 14, which I received this morning."

The trouble between the universities began brewing last spring when Harvard suggested cutting Princeton from the football schedule in favor of Michigan.

Ill-feeling in existence since then was brought to a head Saturday when through which attended the Harvard-Princeton game in Cambridge was greeted with a special issue of the Lampoon, Harvard undergraduate publication. The edition was devoted to jeers and insults at Princeton.
