

HEILMANN NOSES OUT SPEAKER FOR AMERICAN LEAGUE HONORS

DETROIT STAR GETS 6 OUT OF 9 IN LAST GAME

Rogers Hornsby Leads Major Leagues In Homeruns

CHICAGO, Oct. 5.—Rogers Hornsby, manager of the St. Louis Cardinals, was champion hitter of the National League, and also the 1925 homerun champ of the Major Leagues. The St. Louis star hit 39 in the season ended yesterday, while his nearest rival, Bob Meusel, of the Yankees came through with 33. Ruth, who holds the record for homers in the Majors, with 49 smashed out in 1921, got a late start this year and did not play regularly, but he cashed in with 26.

Harry Heilmann, star slugger of the Detroit Tigers, is the new champion hitter of the American League. He overtook Tris Speaker, Cleveland manager yesterday when he collected six hits in nine times at bat in the double header against the St. Louis Browns. Heilmann's unofficial average is .393 and Speaker's is .389. Max Carey, of the Pirates, is the champion major league base stealer for 1925. He was given a close race by Johnny Mostil, of the White Sox, who topped the American League on the base lines. Each of the leaders stole a pair on the final day of the year. Carey brought his total to 43 and Mostil ringing up 42.

NEW YORK, Oct. 5.—The regular major league season has ended with the Senators and Pirates, now preparing for the post season classic, in front of their respective parks by eight and one half games each.

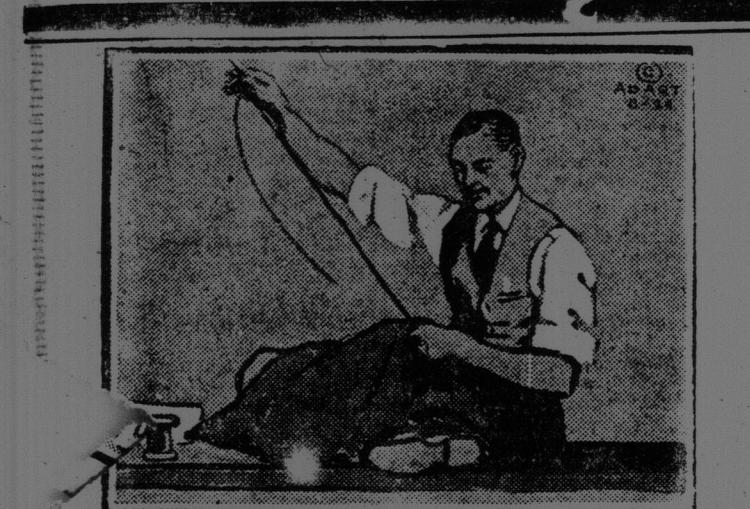

Three games in each league were played as the curtain fell yesterday. So far as the standing was concerned the only result was the Cubs drop into the cellar of the National League through a defeat by the Cards. On the heels of the Senators and Mackens, the St. Louis Browns and Detroit Tigers finished in order in the American League and will share in the world series spoils as well the Reds and Cards, who trailed the Pirates and Giants in the first division of the National circuit.

Rogers Hornsby, of the Cardinals led the National batting parade for the sixth successive year. His mark .408 also made him one of the only three men to hit over .400 for three seasons.

The others were Jesse Burkett and Ty Cobb.

Stanley Coveleski led the American League pitchers with 20 victories and 10 defeats. "Dazzy" Vance was beaten by Billy Scherdel of the Cardinals, for honors in the National. Scherdel won 19 and lost six, while Vance won 22 and lost nine. Bottomley, of the Cardinals collected the most hits in the National League, 277, while Al Simmons, of the Mackens, rolled up 280 in his circuit. Cuyler, of the Pirates led the run scorers with 144 while Simmons accounted for 121.

THE SCHOONBOY track and field meet scheduled for last Saturday on the West Side but cancelled owing to rain will be run off next Saturday, according to word this morning. The same program will be carried out, commencing at 2 o'clock.

PLAYING on the outfield of a last place club in the minor leagues recently were two young men, George Haas and Tex Jeanes. Had some one told them they would share in the world series money this year, they would have promptly called a mind doctor to attend the informer. Yet, it is true these two boys will get as much as "Goose" Goslin and "Pie" Traynor. It is one of those queer kinks in baseball's system that makes this possible. Jeanes has been purchased by the Washington team and was called for duty just in time to have his name go on the roll while the Pirates nabbed Haas before the score yet both will get as much as their team mates. And, one may get \$2,000 more than the other by belonging to the winning team. Now, would you call this luck?

THE Y. W. C. A. is promoting a track and field meet for girls in the city the latter part of this month and a considerable amount of interest is being taken in it. Details of the programme will be announced later. Toronto girls have made quite a name for themselves in this line of sport.

WHILE THE Pirates outfield may have an edge on the Washington Senators in the fight for the world series which opens on Wednesday of this week in Washington, the situation is somewhat reversed in considering the two infielders. Billy Evans has said that the Blue-Peck-Harris-Judge combination is the greatest he ever has seen in baseball and that is quite a compliment. These are coming from a man who has spent twenty years in the big leagues. There are many who will take issue with Evans on the statement in favor of the Baker-Barry-Collins-McInnis quartette of the famous Philadelphia Athletics and the equally famous Steinfeldt-Tinker-Evens-Chance combination of the Cubs. Compared individually, the Pirates and Senators are fairly evenly-matched but it is in team play that a combination's real value is shown and here critics agree that the Senators have a decisive margin. There is the "money factor" also to be considered. The Senators have been through two hard fights for the pennant and a world series. They ought to be steeper. One little wobble in the pinches may decide the entire series and the Pirates are much more liable to blow up than the Senators.

THE MEETING of the M. P. B. in Halifax should be interesting to say the least. There has been enough gunpowder in the preliminaries to start most anything.

THE WEATHER man upset the sport apocalyptic in decisive fashion Saturday day here and thereby caused not only schedule re-arrangement but some financial expense as well. Leaving Charlottetown on Friday morning by motor car, the Charlottetown Abbies, who are here for the final game of the Maritime play-off, arrived on Saturday and then gazed out the hotel windows Saturday afternoon and watched a downpour of rain spoil any chance of getting home yesterday. The boys cannot get back now until tomorrow. In other words, it has required five clear days for these boys to get here for this game and get home and when you feed about 12 hungry athletes for that length of time and pile up traveling and incidental expenses, the bill at the end of it would shock you. We imagine the Abbies financial secretary is going to have something to say about this when the boys get home. The Trojans were in the same box but decided to gamble again with the weather and they held U. N. B. over until this afternoon. No wonder some sport promoters get grey-haired.

MONCTON IS BEATEN

Mount Allison Has Little Difficulty in Downing City Rivals, 12 to 0.

SACKVILLE, N. B., Oct. 4.—Mount Allison University football squad defeated Moncton Seniors, 12-0, in the first football game of the season on the college campus here Saturday afternoon. The game, which was played in a drizzling rain, was some what ragged and failed to provide any thrills for the fair-sized crowd of spectators. Mount Allison scored three tries in the first period and one in the second, but failed to convert.

BIG GAMES TO BE BROADCAST BY TIMES-STAR

Details Will Be Megaphoned From Canterbury Street Office

THE week of weeks in the baseball realm is here at last and millions of fans throughout Canada and the United States in homes and on the curb are busily engaged in argument over the respective merits of the Washington Senators and the Pittsburgh Pirates in their coming clash for the highest honors, commencing on Wednesday. On Wednesday afternoon while these two great teams are locked in bitter conflict over the first game—probably the most important one of the series—vast throngs will follow the detailed report of the game as given them by telegraph and radio over an entire continent.

Realizing the tremendous interest aroused and in pursuance of a policy of the last few years in a desire to serve the fans, The Times-Star has made the necessary telegraphic arrangements to give the fans a complete report of all the games, except Sunday. In past years, many hundreds have gathered daily while the details were being megaphoned from The Times-Star Canterbury street office and this year should see even greater crowds take advantage of this service in view of the added interest to the series this year. Some old favorites, including "Goose" Goslin and "Pie" Traynor, are on the boards this year again while local interest is aroused in the Pirates because of the fact that "Pie" Traynor, a great third baseman, has close relatives here, his mother being a Halifax girl. "Kiki" Cuyler's doings will be watched with much interest and when Max Carey, the leading base stealer in both leagues, gets on the paths, the interest should mount to a fever pitch. It is going to be a great series and regular fans are glad to be of service to the fans in giving them a detailed report of the games.

PIRATES USE SUBS

Manager McKechnie and his speedy young Pirate team are home from Cincinnati, where the last games on the regular season's schedule were played over the week end. Final practice sessions preparatory for the first clash with the Senators are on the schedule for this afternoon and tomorrow. "Bucky" Harris was to lead his club into Pittsburgh tonight and Forbes Field will be turned over to the regular American League tomorrow afternoon for a workout.

The double header with the Reds yesterday afternoon has worked hard for the Pirates. Manager McKechnie has an opportunity to put several of his strong string men into action. Pitcher Culloton, catcher Spencer, infielder Thompson and pitcher Hays worked hard in a portion of the second game. Since clinching the senior pennant about ten days ago, all of "Skipper Bill" McKechnie has been pointed toward priming the entire team, both regulars and reserves, for the title fray.

MEADOWS VS. JOHNSON

No definite announcement on the pitching assignment for Pittsburgh in the first game has been made by Max Meadows. In the opinion of the fans and sports writer, however, Lea Meadows, bespectacled twirler who came to the Buccaners from the Phillies in 1924, will be selected to oppose Walter Johnson, veteran standby of the youthful "Bucky" Harris, and the pitching hero of last year's series. It is considered probable that Vic Aldridge, who was obtained from the Cubs last winter by trade and a hold-out during the spring training season, will be the third chief's choice for the second game, with Kremer slated for duty on the third day of the big tussle.

RAIN MAY INTERFERE

NEW YORK, Oct. 5.—If the weather is favorable, Paul Hefernan, world's light heavyweight champion, will battle King Solomon, Panama heavyweight, tonight at 10 o'clock at the Polo Grounds in the feature 10-round boxing show of the closing outdoor boxing show of the season. Rain this morning, however, made it doubtful whether the fight could be held tonight. Jimmy Dundee, retired featherweight champion, will stack up against Babe Herman, San Francisco featherweight, in a 15-round semi-final. Jimmy Kelly, manager of Herman, plans to claim the featherweight crown in case his boxer wins, in spite of the title held by Louis (Kid) Kaplan, of Meriden, Conn., who won the eliminating tournament conducted by the New York State Athletic Commission. Sid Terris, East Side lightweight, will swap blows with Jack Bernstein of Yonkers, in another 10-round on the same card. In the event of unfavorable weather the show will be postponed until October 13.

After being released from a liner crossing the Atlantic to Europe a pigeon flew back to its loft in New York.

Through Pittsburgh's Haze and Smoke--

Through the haze and smoke of the Pittsburgh stronghold, Bucky Harris' staff of pitchers can dimly discern a trio of mighty clouters awaiting the call to action in the coming world series clash. The three—Carey, Cuyler and Barnhart, shown in the above layout in that order, carry the batting punch of the Buccaners brigade.
