presented a request from the New Brunswick Telephone Company that they be allowed to move two poles in Broad street. They had to be removed from a pole at the corner of Broad and Pitt streets, which was to be taken away by the New Brunswick Power Co. on the request of Commissioner Harding. This was referred to Commissioner Frink and the road engineer. Mayor Potts asked if there was not some way of removing about 100 of these poles, and Commissioner Harding said they would go eventually.

Commissioner Harding said he had received a request from a West Side citizen that a building in Union street at the head of Rodney slip, be closed, as being so close to the railway tracks it was dangerous to use it for a store. This was referred to Commissioner Bullock for a report. He said that the department received a rental of \$250 a year for the site.
