CROPS AND CREDITS
(Toronto C. & B.)
"The whole situation in Canada for the next few months depends upon lifting into the country a lot more money," said a banker yesterday. "The crisis of the situation lies in the Western crop. We must get as much of that to other countries as possible, and get cash for it. Such as we sell must be sold for cash, because the Government is not exporting now, but it is in the hands of private dealers, who cannot afford to sell on any other basis. This will be one of the advantages of removing Government control from the wheat crop. Money remains very tight, and I cannot see any prospect of change for an indefinite period. Arrangements for financing the crop are well on. There is little prospect for some time, and the banks are definitely opposed to speculation in com-

modities. I cannot say what they have done in regard to sugar, as no general policy is laid down for a single industry, but the whole spirit of the understanding between the banks is opposed to speculation in such things at the present time."

A high financial authority said yesterday that Canada's credit position following the war had advantage over other countries. In the United States war bonds were sold on too low an interest return, consequently the banks were loaded up with \$5,000,000,000 in bonds, while in Britain there was a floating debt of \$7,000,000,000 not yet funded, which ate up liquid capital to an embarrassing extent.

BATHERS RESIST PARSON'S ATTACK ON THEIR ATTIRE

Trenton, N. J., Sept. 2 - Rev. Frederick Kopelman, pastor of the Methodist Church at Titusville, N. J., who has been endeavouring to "drive the devil from the hearts of the immodest bather" at Washington, Crossing, was greeted today with a shower of over-ripe tomatoes when he appeared at the resort to lecture them on the immodesty of their attire.

The pastor's automobile was wrecked and he was punched and mauled, and an attempt was made to duck him in the Delaware River. He finally escaped when a constable held the mob back with a drawn revolver.

Later the person was found nursing a bruise on his face. His clothing was covered with tomato seeds and juice, and his face streamed with perspiration. He was still full of fight, however, and determined he said, to appear at the hearing before the township board, next Tuesday to present his evidence on immorality among the summer colonists.

TRANSFERRED TO HAMILTON.
Adjutant Gilbert Best, for the last five years chaplain of the New Brunswick division of the Salvation army, has been appointed to a similar position in Western Ontario, with headquarters at Hamilton. He will leave for Hamilton on Tuesday next, accompanied by his wife and two children. Before his St. John appointment Adjutant Best was attached to the staff of the financial secretary of the Salvation Army in Toronto.
