THE EVENING TIMES AND STAR, ST. JOHN, N. B. MONDAY, JANUARY 20, 1919

## GOOD THINGS COMING TO THEATRES OF ST. JOHN MORE TROUBLE TONIGHT

For Monday and Tuesday of this week the Star Theatre is showing Frank Keenan in his greatest picture "More Trouble."

As Lemuel Deering, Frank Keenan does his best work. He is inimitable. There is a mystery in "More Trouble" which seems impossible of solution and then it turns out to be the simplest thing in the world.

Lemuel Deering is the owner of an iron foundry, and has a son. He is a pure and noble youth who does his dinner jacket only to go to the Y. M. C. A., and yet of a sudden, his life is a most interesting nature start to pour in \$50.00 for tobacco; \$200.00 for taxes; \$500.00 for wine; and finally a note for \$25,000 signed with the name of Harvey Deering.

Deering, senior, remonstrates with his son, only to be told, "Father I did not do it, but I cannot tell you any more." There are strikes, foreclosures and failures all because the saintly young Deering refuses to disclose the secret of his wealth. He finally is landed in jail and then is mysteriously rescued and why? No one can tell until he finally tells it himself.

Don't miss this great comedy tonight or Tuesday.

## NO TONIC LIKE HOOD'S Sarsaparilla For a Time Like This After Influenza, the Grip.

When purified blood, rebuilt strength, and regulated bowels are essential, in the after-effects of influenza, the grip and other prostrating diseases, Hood's Sarsaparilla has remarkable health-helping effect.

It expels the poisons that have weakened and depleted the blood, causing pallor, anemia, flabby flesh and lax muscles. It is the standard blood remedy with a successful record of nearly fifty years.

Many people—it is really astonishing how many—need a firm, gentle, easy cathartic in these trying times. We recommend Hood's Pills, used in the best families, and equally effective with delicate women or robust men.

An application from both the city and policemen has now been received.

"The members selected for the board are: James L. Squire of St. John, for the employers; and Allan J. Weir, also of St. John, for the city. They have been requested to make a joint recommendation for the settlement of the dispute, and if they fail to agree, the minister will select a man for this place.
