SETTLED OUT OF COURT
The case of Quinlan vs. Doody, has been settled amicably without going before the county court. J. A. Barry acted in the interests of Mr. Quinlan, while D. Mullin, K. C., looked after Mr. Doody's. This was a case arising from an automobile accident in which William Quinlan, of Willow Grove, claimed damages from Harry Doody for alleged injuries to his wages.

A GOOD REPORT.
There has been an unusually small number of cases of infectious diseases in St. John this fall. The only disease which has been at all prevalent lately is scarlet fever, and most of these cases are being marked off. The total number of cases of infectious diseases reported during the year to date is twenty-six less than during the same period last year.

NOT TILL JANUARY

Suggestion That Trip of Board of Trade Secretary Be Extended to West

The trip to Upper Canada planned by the Board of Trade yesterday for the secretary, W. E. Anderson, for the purpose of enabling him to study the publicity methods in use in other cities, will probably not be undertaken by Mr. Anderson until the first of the new year. He will be detained in St. John for the annual meeting in December, and the holiday time which follows would not afford a very good opportunity for securing the kind of information desired.

It has been suggested that the length of the trip should be extended to take in the Northwest and British Columbia as well as Upper Canada, as conditions there are declared more in line with the situation in St. John. Some of the best publicity work and some of the most advanced methods of advancing a city's interests along the lines desired for St. John, are in practice in the west, and it is thought that the experience of those who are conducting this work would be of much value to the St. John Board of Trade.

SON OF WALTER GOLDING RUN DOWN BY TEAM

Eric Golding, the five-year-old son of Walter E. Golding, manager of the Nickel theatre, was quite badly injured in front of his home in Waterloo street about noon today. The boy was playing in the street, and in attempting to cross to the other side, was knocked down and run over by a carriage. He received several nasty gashes on the head. He was taken to the hospital, where he had his injuries attended to.

As far as can be learned, the driver of the team did not stop, and it is not known who he was.

It has been said more than once that there is great danger to children, and elders as well, in this vicinity because of the practice of speeding indulged in by drivers of horses and autos on the Waterloo street stretch. Today's accident is the second. The owner, in this case, continued on his rapid course up Cliff street, leaving the child on the ground.

THE POPULATION AND THE DEATH FIGURES

The possibility that St. John has been given a much higher death rate than it should have was pointed out by Secretary Burns, of the Board of Health today. Commenting on the rate shown by the official figures which is high for as healthy a city as this, Mr. Burns drew attention to the fact that the average per thousand is based on the official census returns. There have been complaints that the census does not show the full extent of the population. If this is the case, and the number of deaths is figured on a smaller total population than we have in the city, it would have the effect of making the percentage higher than it should be.

There have been suggestions that the Board of Health should take a census of its own when the inspectors are making their rounds, in order to check the official returns, as a high death rate is not a desirable advertisement for a city which is seeking to attract a larger population.

A. O. H. MEN IN GREETING TO PRESIDENT

James Regan Given Hearty Welcome by St. John Members—A Talk on the Order—His Plans

A large delegation of members of the A. O. H. this morning greeted the National President James J. Regan, of St. Paul, Minn., when he stepped from the Fredericton train, accompanied by J. H. McCloskey, the provincial secretary, who has been with him on his tour through the province. In addition to members of the order, and the Hibernian Knights there was also present a contingent of the Hibernian cadets and a large escort. Mr. Regan went by automobile to the Royal Hotel.

A short time later two automobiles left the hotel bearing members of the A. O. H. and Mr. Regan, on a sight-seeing tour about the city. On his return, he said he was much pleased. "You have a great city here," he said to some of the brother members, "and there are fine chances for further development." The members who accompanied the national president were Mr. McCloskey, Wm. Perry, county vice-president, Capt. E. J. McLaughlin, F. J. McInerney, Sgt. William Daley, J. Ryan and William O'Neil. Various places of interest were visited among them the reversing falls, the churches and the schools.

Speaking to a Times reporter, Mr. Ryan expressed himself as being greatly pleased with the progress of the order in Canada saying that its numbers were decidedly on the increase and the society was in a prosperous condition. He had visited Campbellton, Chatham, Fredericton and Moncton, and was delighted with the reception accorded to Mr. McCloskey and him at every place. This was his first visit to this part of Canada, although he had been a citizen of Montreal for some time but he left there twenty-five years ago.

Mr. Ryan is now successfully located in St. Paul where he is a prominent contractor. The object of his visit to Canada, Mr. Regan said, was to familiarize himself with the work of the order here, and make a general inspection. This, he marked the diamond jubilee of the institution of the A. O. H. and special plans were made to commemorate the occasion.

Partidge Island is to be visited this afternoon at 2:30 o'clock through the courtesy of M. W. Doherty who has loaned a tugboat for the occasion. The evening social will be held in the A. O. H. rooms and prominent citizens have been invited.

WEDDING THIS AFTERNOON

Miss Ethel B. Pooley the Bride of Chas. H. Stewart of Bank of Ottawa

A wedding of much local interest was solemnized at 2:30 o'clock this afternoon when Miss Ethel Berrymann Pooley, daughter of Mr. and Mrs. John Pooley of this city, was united in marriage to Charles Hall Stewart of Perth, Ont. The wedding was solemnized at the home of the bride's parents, 258 Union street, by Rev. David Lang, assisted by Rev. W. J. Westworth. The house had been very prettily decorated for the occasion with potted plants, chrysanthemums and other flowers.

The bride was attired in a white satin dress with pearl trimmings and carried a bouquet of pink and white roses. She was given away by her father. There were no attendants. After the ceremony a luncheon was served in the dining room, prettily decorated with flowers and plants.

Mr. and Mrs. Stewart will leave on the Boston express tonight on a honeymoon trip to Boston, New York, Montreal, Ottawa, Toronto and thence to Cobalt where they will reside. The groom holds a responsible position with the Bank of Ottawa in Cobalt, and at the present time is acting manager. The bride's going away dress was of grey with hat to match, and she wore mink fur.

Many handsome presents including cut glass and silverware were received by both the bride and groom. The groom is present to the bride was a beautiful pearl and diamond sunburst. Mrs. Jessie Stewart, mother of the groom, arrived in the city yesterday from Perth to attend the wedding. William E. Pooley of Moncton, brother of the bride, was also present at the ceremony.

FREDERICKS IS FINED

Waterloo Street Case Ended in Police Court Today

Abraham Fredericks, a colored man, charged with assaulting George Wright in Waterloo street on Saturday night, was brought up in the police court this morning, and was fined \$20 or two months in jail. Several witnesses gave evidence of seeing a crowd in the street at the time but all failed to identify the prisoner. The court held, however, that the evidence of Mr. Gibbs, who swore positively that Fredericks was the man, was enough to convict the prisoner and he was fined accordingly.

Bernard Barry, George Murray, George Pooley, Felix Holland, George Moore and Charles Nealy were each fined \$8 or two months in jail on the charge of drunkenness.

James Moore, aged twelve and Ronald Fraser, aged ten, both charged with stealing newspapers from E. G. Nelson's doorway, in King street, were remanded till this afternoon until their parents could be summoned to court.

May Ferris, arrested on Sunday night on charge of lying and lurking in a yard off Courtney street, was brought into court this morning. Policeman Perry told of making the arrest.

The prisoner went on the stand and said that she was standing in the street talking to a man when the policeman came along and arrested her.

The Ferris woman was allowed to go home with her husband, but was cautioned by the constable to keep off the streets, unless she was in company with her husband.

Later in the afternoon the two boys, in connection with the newspapers case were allowed to go with a caution.
