Our Ambassador at Madrid Sir Geo. Villiers has succeeded in obtaining from the Spanish Government an order for the release of Mr. Gruneison the correspondent of the "Morning Post" and Captain Henningsen who had fallen into the hands of a party of Christians near the Embro and who conducted them to the town of Logrona.

HALIFAX, Dec. 23.

On Saturday last, at 1 o'clock, the Committee appointed at the public meeting waited upon His Excellency the Lieutenant Governor at Government-house and presented the following Address:—

To his Excellency Major-General Sir COLIN CAMPBELL, K. C.B.,
Lieutenant Governor and Commander-in-Chief of the province of Nova-scotia, &c. &c. &c.

THE ADDRESS OF HER MAJESTY'S LOYAL SUBJECTS, THE INHABITANTS OF HALIFAX

May it please your Excellency,

The inhabitants of Halifax deeply deploring the present unfortunate situation of affairs in Lower Canada where a number of misguided men have been deluded into rebellion against their lawful Sovereign at a public meeting this day convened have with our accord declared their firm and unshaken loyalty & attachment to Her Majesty's person and government and their determination to resist by every means in their power any attempt to dismember the British empire of which they are proud to consider these Provinces an integral part. Deeply sensible of the many blessings secured to the North American Colonies by the British constitution and thankful to Divine Providence for the place and happiness which this Province continues to enjoy the inhabitants of Halifax humbly beg your Excellency to convey to our beloved Sovereign the sentiments of loyalty by which they are actuated, and their confident assurance that all classes of Her Majesty's subjects in Novascotia are firmly resolved to maintain to the utmost of their power the connexion now so happily existing with the parent state.

The inhabitants of Halifax deeply regret the necessity which the unfortunate events in Canada have created for the departure of Her Majesty's forces from this garrison where the conduct of both officers and men has secured them the respect and attachment of all classes of society. They are aware that the noble spirit which animates British soldiers will induce them resolutely to encounter the hardships they must endure in marching through a long and dreary wilderness at this inclement season of the year,—but whilst the soldier at the call of duty spurs both danger and fatigue the husband and the father cannot but feel deeply for those whom they are compelled to leave behind without their natural protectors. To alleviate these feelings—to lessen the pang which the brave soldier must experience in parting from his wife and children and to contribute towards their comfort, the inhabitants of Halifax have agreed to raise a fund for the relief of the wives and children of the soldiers of this garrison whose husbands and fathers have been or shall be under the necessity of leaving them behind when they march to uphold and support the authority of our beloved Sovereign, and to preserve the integrity of the British empire. The mode in which this object is proposed to be carried into effect will fully appear upon a reference to the resolutions unanimously adopted at the meeting a copy whereof is herewith submitted to your Excellency.

A more numerous meeting of all classes of society has not previously assembled in this town and it was their unanimous feeling and belief that the sentiments of the Province generally as well as those of the town were expressed in these resolutions. The Hon. the Speaker and all members of the House of Assembly resident in the town several of whom represent different parts of the Province were associated with other Gentlemen of the Committee to carry the objects of the meeting into effect.

The inhabitants of Halifax unite in the prayer (which they feel will be responded from every quarter of this loyal Province,) that these unhappy troubles may be soon dispelled—that peace and order may be speedily re-established—and that the people of those Provinces prosperous and united may ever esteem it their highest pride to have their destinies connected with the great country from which they are descended and which has extended to them the benefits of its glorious constitution.

(Signed)

S. G. W. Archibald, Speaker of Assembly, and Member of the county of Colchester.
Alexander Stewart, Member of
