Pandora Range

Entirely New

Has been under construction for more than a year—six months were spent in testing and perfecting the range before it was offered for sale.

Is built on entirely new and modern principles from entirely new designs—no old patterns were used to hamper the good working qualities of the new features.

Possesses labor and fuel-saving devices which are entirely new—triple, triangular grates, enameled steel reservoir and special flue construction, are not used in any other make of range. The fire-box, hot-air flues, body and oven linings, dampers, etc., are

improved over old styles and all combine to make a perfect baking oven. Bold, rich carving extra highly-polished nickeling, heavy leg base and sheet-steel warming closet give the "Pandora" a rich, elegant appearance not seen in old style ranges.

Sold by all enterprising dealers. Booklet free to any address.
