NEW WAVERLY, Ind., Dec. 22, 1885.

GENTLEMEN — We are selling a good many dozens of Dr. Henry Baxter's Mandrake Bitters. Mr. John Gimes, of this town, has been cured of Constipation by their use. We recommend them, which is contrary to our custom, but we know them to be a genuine medicine.

As the price is only 25c., they sell readily and always prove satisfactory. Truly yours,

JENKINS & HELMIG,
Druggists.

PEMBROKE, N. H., May 28, 1883.
Henry, Johnson & Lord, Burlington, Vermont:

You will be glad to learn that I have not had one of those dizzy, bilious attacks since the first of March, the time I began taking Baxter's Mandrake Bitters. I now take but one dose in the day, and that in the morning, and I am in hopes that I can omit that soon. And if I become cured your medi-

cine will do more for me than some of our most skillful physicians have been able to do. I am now able to be about and do considerable work. I have engaged to canvass for the N. A. Bible Society. This work demands physical and mental powers, and, if I can endure the labor you will call me pretty well, for a broken-down man of almost sixty-three years of age.

Yours fraternally,

REV. D. GOODHUE.

GENTLEMEN—Please let me know if you have an agent here for Dr. Henry Baxter's Mandrake Bitters. I got a bottle some time ago, on my way through Chambersburg, Pa., and derived great relief from its use, for Biliousness, etc. I want to get several bottles to keep on hand for use. Yours very respectfully,

R. G. DUCKETT.
