HOULTON AND FREDERICTON WON LEAGUE GAMES YESTERDAY

HOULTON, 10; MARATHONS, 6.

Yesterday was a bad day for playing good baseball and it was also a bad day for the Marathons who lost two games to the Houlton team who won the morning game by a score of 10 to 6 and the afternoon game by a score of 6 to 4.

It was a holiday and the fans were off from their work. Umpire Murray was at his work but like the fans he was also off from his work.

The weather cleared up in the afternoon and about 1,500 people turned out to the game which proved a good snappy affair.

The Houlton players were very strong again with the stick and pounded out no less than 17 hits during the game, which they won by a score of 10 to 6.

Barry was put in to pitch for the Marathons, and by the way he started out to him without turning a hair, and if this is what makes a real umpire, Murray is certainly the candy kid.

With such a fine day as was enjoyed on Sunday, it was expected that yesterday would follow just as fine, and great baseball weather was predicted, but during the early morning it rained hard and put the grounds in a very soggy condition.

When the time came to start, the weather was not so hot, and the weather was cold. Owing to the conditions only a couple of hundred people braved the weather to witness the morning game.

In the sixth inning of the game, Duffey, one of the latest pitchers for the Marathons, was badly injured by being hit on the head by a batted ball.

Fortunately, he got his glove up in time to protect himself, otherwise the blow he received might have proved fatal. He was rendered unconscious for a time and was compelled to receive medical aid and receive the attention of a physician.

Heavy hitting on the part of the Houlton team gave them their run, and they went to Duffey in good style, while he was in the box, making no less than 13 hits of his delivery.

While not taking any of the six runs, it is reasonable to say that there is some excuse for Duffey on account of the cold weather.

After Duffey was injured, his place was taken by Woods, who finished the game, and he was found for four safe hits.

Marthons was the pitcher for the Houlton team and but two hits were made off his delivery up to the sixth inning when the Greeks kept up the hitting and pounded out four hits, two of them being two baggers and setting three runs.

Marthons was taken out of the box and Nepton was put in, and finished the game with only one single being made off him.

The following box score and summary gives the game in full:

game, and showed that he had lots of stuff on the ball. He pulled himself out of some bad holes, particularly in the fifth inning, when the bases were full and nobody out he struck out Bob Conley and Hoyt, and the best wildes card do was to send a dinky grounder to the shortstop.

Fredericton, June 3.—Only one of the scheduled games between Fredericton and Woodstock teams could be played today because it rained heavily just at the time the first game was to have taken place.

The afternoon game took place under fine weather conditions but on a soggy field, on which teams played remarkably good ball under circumstances. The Fredericton club kept up their winning streak, and when they were over the score stood 4 to 2 in favor of the locals. It was the Woodstock team's first game and they made a fine impression with the big holiday gathering.

Stanley Bates, the locals young left hander was in the box for Duggan's bats and won his third straight game. He showed more confidence in himself than he has in the past.

MONCTON SEASON OPENS.

Special to The Standard.

Moncton was T. Crossman and Mike McDonald, for college, L. Ancon and L. Leblond, for St. Bernard's. The Moncton team had but one hit, while the C. A. and St. Bernard's opened the city league, the score being tie, two all, in a seven inning game.

RIFLE CLUB SPOON MATCH YESTERDAY

St. John City Rifle Club held a spoon match yesterday afternoon on the rifle range. There was a large attendance, but the fog at the start of the match greatly hindered some of the other shots whose eyes are not as bright as the younger members.

Had Boils On Neck and Arms.

Had Them Lanced But Got No Relief Until He Used Burdock Blood Bitters.

Boils in themselves are not a dangerous trouble, but still, at the same time are very painful. They are caused entirely by bad blood, and for you to get rid of them it is absolutely necessary to put the blood into good condition.

This preparation has been on the market for about 35 years, and has a reputation unequalled by any other for the making of pure, rich, red blood. Mr. H. J. Baiter, Stratford, Ont., writes: "I have been troubled for several weeks with boils on my neck and arms. I had them lanced by the doctor, but as soon as one went others came. I tried all kinds of so called remedies, but could get no relief till I was advised to try Burdock Blood Bitters. I am pleased to say I am now quite free from those most painful things, and feel much better in every respect."
