Canada Won at Westfield.

The first of a series of races to be sailed off Westfield, for a prize donated by the summer residents, was sailed Saturday afternoon. The course was from Westfield wharf to Belyea's Light to Branly Point and back to the starting point. The race started at 3.15 o'clock. Three yachts crossed the line: Canada, Wahbewawa and Winogene. They all started out with singled reefed mainsails, but on the run down to Brandy Point buoy the Canada shook out her reefs and increased her lead and won the race handily. The battle between the Wahbewawa and Winogene was hard fought. The Wahbewawa crossed about half a length aheal in an exciting finish. Charles Elwell took his yacht Gracie M. from Millidgaville, but was late arriving at Westfield, and the officers of the day, F. H. J. Ruel and Fred. E. Sayre, started the race without him. The schooner Windward was also entered, but was also late arriving.
