A. Smith and others against the bill to plaining that I was getting too large, a sum for collecting succession duties.

Debate on the Address. The order of the day being called, Hon.
Mr. Pugsley resumed the debate on the
address. He said: "Although the premier
is unable to be in his place in consequence
of illness, he has intimated to me that he would prefer the business of the house to go forward. I feel that I would hardly uncillor J. Silbker and M. D. Pride, be doing justice to myself if I did not besident of the Amherst Boot & Shoe in the expressing my hearty concurrence in the words of praise uttered by the of Purchastant and the south in the words of praise uttered by the Co., all that section of land on the south side of Rupert street, between Spring and Agnew streets, containing some 32 of the finest building sites in the town limits. Some of these lots are valued as high as \$1,000 each.

The price paid was private, but it is rederstood it was well we in the thousand views they had expressed show that their presence in this house will be accurate of gain to the legislature and the

of the remark of the member for Carleton that the recent election had justified the policy of the government said that the policy of the government was about the last thing talked of on the hustings. I take issue with him on that point. I know that in the county of Kings my colwere never afraid to challenge our opponents to a critical examination of the policy of the government. We were not afraid to discuss the finances or to show for support they did not hesitate to ask it by reason of what we had done as a government to advance the interests of

Conservative Opposition.

It is true that we received assistance from the minister of railways, a gentle-man who stands very high in the estimation of the people of this province, and it was a matter of great pride and satisfaction to us that he could come to this province and give us his support. Mr. Hazen says that he was placed at a dis-Hazen says that he was placed at a disadvantage in consequence of this; so he was, but if so it was in consequence of what he himself had done, because, except in one or two counties, the whole power of the Conservative organization and the whole power of the Conservative organization and the whole power of the Conservative press were used against us. Does he not know that in Kings Mr. George W. Fowler, who represents that county in the House of Commons, formerly a warm supporter of this government, was driven away from his alliegiance to us by the Moncton convention? It is all very well for Mr. Hazen to say now that he has abandoned the Moncton convention, but we know wick might be disposed to take the same wick might be disposed to take the same in one or two counties, the whole power of the Conservative organization and the whole power of the Conservative press were used against us. Does he not know that in Kings Mr. George W. Fowier, who the Moncton convention, but we know servative machine was most powerful, we had to encounter its opposition.

fact that in some counties we had Con-

fullest criticism with respect to the policy of this government. We can point with

The leader of the opposition has criti-cised our reference to the Halifax fishery award. He admits that we have made out a strong legal case in favor of the claim of New Brunswick, but he has only admitted this since the election. Before admitted this since the election. Theore we took hold of this matter he had an opportunity of doing something to advance the interests of the province in regard to the fisheries, but he never before intimated that the province had a strong case. One would have thought that in view of the decision of the judicial committee of

"When we took hold of this matter we found it was surrounded by difficul-ties. Very few public men agreed with hardly a lawyer of standing differs from us or denies that or ease is a good one. though your case a strong one, you should leave the money in the hands of the dominion government for them to expend. That is a statement that I am surprised to hear; that although that money is ours, we should give it to the dominion because they are devoting it to doctrine. province it is our duty as trustees of the

please with it.

the time the award was paid at four per cent, would bring the total amount, to which we have a right, to about \$2,000,000. This sum, invested at four per cent, would give us \$80,000 a year of additional

ment of an act relating to that city.

Mr. Hazen gave notice of inquiry with regard to permanent bridge contracts since of local contracts of the parish of liquor in the parish of liquor men should decline to continue the bouties for the fishermen we could pay have \$67,000 left for roads, bridges, edu-cation and other purposes. Is not the obtaining of that money for the province a worthy object? One would have thought

Mr. Hazen's Petty Politics.

"Well, I got just \$130 for succession divide that sum in two, It is surprising that is one reason why the people of this country have declined to place him in power. His criticisms are too narrow for support a party or a government that has shown a disposition to fight for the rights of New Brunswick. I have no doubt that we are entitled to this sum under the Halifax award. When the highest court of the empire decided that the fisheries within tidal waters belonged to sands.

Edward Louther is putting in a foundation 50-40 on the corner of Maple Avenue and Chandler streets for a three-story building, to be used as a hotel and of the remark of the member for Carle. But it is asked, why does not the domin-ion government pay it? Well, govern-ments like to hold on to money, espect-

ally if they have received that money a good many years ago.

"You all remember how long it took us to obtain the Eastern Extension claim, although that was a perfectly valid claim. For many years we could make no pronot until the change of government took place in 1896 that we could get our claim recognized. I was fortunate in bong able to obtain that money for this pronec, although the claim was so long duled. Will Press for the Award.

"Another point urged against us is the resolution moved by Sir John Macdonald, setting forth that the money belongs to the people of Canada, not to the people.

keep pressing for the award. With the powerful provinces of Quebec and P. E. Island standing at our back all demand-ing that justice shall be done, there is good eason to be satisfied with the outlook."
Mr. Hazen-How about Nova Scotia? Hon. Mr. Pugsley—"When the question came to be determined as to how the award should be distributed it was found that bounties for the encouragement deep sea fishing are largely dependent up

with the government is to press forward until we obtain the object we are striving Thorne, in his interview with a reporter of the Montreal Gazette, said that if Mr. Tweedie was defeated, Mr. Blair would ose his right arm. I am proud of the lact that in some counties are in the country.

Opposition Leader Criticized. "My honorable friend has made a refer

ence to the resolution passed at the Quest bec conference and instead of lending his no question that there are burdens im-posed upon the province today never dreamed of by the fathers of confederation (Continued on page 5.) man the property of the contract of
