at a military little and the

J. L. STEWART, EDITOR. TUESDAY EVENING, OCT. 13.

His Own Executor. The example of Edward Sears, Esq., in making himself his own executor, is worthy of being followed. Some point. Sears was foolish in giving his property away; but a little reflection must condo Mr. Sears? He lived on the income arising from a very small traction of it, and kept adding to the useless hoard. He took no pleasure in spending money, pile increase the joy was not a creditknowing that the money would be infor their portions. They were young and able to use and enjoy the money. What was the good, therefore, of this old man clinging to his load of gold a few years longer till death should inalthough he is notoriously averse to it was set. This makes the sec- it. sed of the miserly spirit that wrestles River since the Common School Act came at South Bay on Sunday was Wellington with death itself for the possession of in force. The authorities should spare Vair. He died yesterday.

ing mania to gratify by the erection of mon. he not wise, therefore, instead of making a will disposing of his property after in disposing of it now? We Swearing in the Administrator.

in the affirmative. If anybody can give a reason for holding on to wealth, in in the affirmative. If anybody dut give a reason for holding on to wealth, in such circumstances, we should like to hear it. Mr. Sears has secured to himself ten times as much income as his simple habits require, has relieved himself of the trouble of looking after rents, dividends, etc., has the satisfaction of knowing that his heirs will not be fighting for his property over his grave, and enjoys the proud consciousness of having done a decl that only one man in ten thousand has the worldly wisdom and moral courage to dother the consciousness of having been his own executor. Some, of course, think of the fighting of the consciousness of having been his own executor. Some, of course, think of the consciousness of having been his own executor. Some, of course, think of the consciousness of having been his own executor. Some, of course, think of the consciousness of having been his own executor. Some, of course, think of the consciousness of having been his own executor. Some, of course, think of the consciousness of having been his own executor. Some, of course, think of the consciousness of having been his own executor. Some, of course, think of the consciousness of having been his own executor. Some, of course, think of the consciousness of having been his own executor. Some, of course, think of the consciousness of having been his own executor. Some, of course, think of the consciousness of having been his own executor. Some, of course, think of the consciousness of having been his own executor. Some, of course, think of the consciousness of having been his own executor. Some, of course, think of the consciousness of having own executor. Some, of course, think that Mr. Sears should have given part that Mr. Sears should have given part of his property to deserving charities, for his widow.
