

Wilson whom God has taken, and of Mr. S. McDowell, an Elder, who gave valuable help to the sessions at Communion seasons.

The Session would especially express its thanks to God that in spite of the stringency of the times, the Congregation by the aid of our Endeavor will be more than able to meet all the Missionary requirements of the year.

We would express our pleasure and appreciation of the faithfulness of those who lead in the service of praise and their unflinching attention to their duties.

In behalf of the Sessions,

J. CAMPBELL TIBB.

Moderator.
