general manager has been filled by the irectors by the appointment of Edward Riondel, of Lille, France, who has been in the city for the last couple of weeks looking over the affairs of the company.

Mr. Fernau declined to discuss the affairs of the company leading up to the present situation, or to add anything urther than the above statement.

MINING RECORDS. One certificate of work, four locations, and three transfers were reco the Nelson mining office on May 23.

The locations are all on the Pend d'Oreille river, about 20 miles above Waneta, and were all made on May 18. They are: the Iron Link, by T. R. French; the Iron Mask by Isaac Erickson; the Iron Horse, by A. C. Caldwell, and the Iron Crown, by C. I. Caldwell. Pete Peterson, of Ymir, transferred to John Youngbery of Ymir, a quarter nterest in his placer lease, on condition that the transferee shall make half the payments due.

Third interests in the Silver Crest and Silver Queen, situated on the south fork of the Salmon river, were transferred by May and John Waldbeser respectively to C. E. Wilson, the consideration in each ase being nominal.

BONDED THE GLOUSTER:

Dominion Copper Company Will Develop

Property-Work on Diamond Hitch Property—Work on Diamond Hitch

(Special to The Daily News)
Grand Forks, May 25—Papers were signed today for the bonding of the Glouster group of copper properties in Glouster camp to the Dominion Copper company and while the exact amount of the bond has not been made public it is known to be in the neighborhood of \$30,000. By the terms of the bond actual development work will start immediately and be kept up continuously going until the bond is lifted. Cash payments are to be made at stasted intervals during the life of the bond. The Glouster properties are owned by Tom Newby, Lee Mercer and Howard Clarnett. The new owners will spare neither time nor money to make the Glouster property a shipping nine at an early date.

date. It is expected that the Diamond Hitch property will be added to the list of working properties this spring preparatory to shipping this fall. The Diamond Hitch is an exceptionally promising property having an immense showing of fron ore, showing sood copper values. The property lies on Pathfinder mountain and is owned by a stock company of residents of this place.

DEATH OF A USEFUL MAN Providence, May 25—Francis W. Kenny, inventor of the first base burning coarstove and meny otehr appliances for plumbers and hardware workers, is dead at his home in this city of old age.

Exchange Telegraph company from Mad-rid today says the bomb thrower has been arrested and confined in the police

Madrid, June 1.-General Weyler, wa seriously wounded by the bomb explo-sion yesterday. Five of the wounder are dying.

The officials here are beginning to be lieve that two bombs were thrown

the king and queen yesterday and that the missiles exploded simultaneously with only one vivid flash. with only one vivid flash.

The scene which followed was like that witnessed on a battle field. Corpses, pools of blood and wreckage were strewn upon the ground. The front of the house, No. 88 Calle Mayer, before which the available accounted were considered. which the explosion occurred, was cov-ered with holes and blood dripped from the curtains of a window on the first

madal, the marchioness Tolosa and her daughters were killed. One body was jammed in the balcony railing and was removed with difficulty.

No. 88 Calle Mayer and all the nearby

houses were surrounded by police who prevented ingress or egress until they had been thoroughly searched. A tenant on the third floor, and a young man who was leaving the house, were among those arrested. The crowd tried to lynch the search of the coach. Don Alvares de Toledo, and colonel Rehague immediately went to the king's coach and opened the door. Their majesties at first did not wish to alight, the king repeating, "It is nothing," and seeking to smile. But

the prisoners and the poince only provented it by charging.

Numbers of people hurried to the scene of the wreck to seek news of relatives, but they were not allowed to enter the building. The marquis of Tolosa, ignorant of the death of his wife, was one of those who arrived and the guards at first refused to admit him. Finally, however, he was allowed to enter and a lowever, he was allowed to enter and

however, he was allowed to enter and a heart rending scene followed.

The coolness of the young king was marvellous. On reaching the palace after the explosion, he sent adjutants to assist the wounded and later sent officers among the families of the victims doing everything possible to aid and assist the sufferers. Queen Christiana, the prince and princess of Wales and archduchess Francis Ferdinand of Austria, had already reached the palace and were waiting for the king and queen with the

When some time elapsed without when some time elapsed without meroyal coach appearing the prince of wales and the Infanta Theresa, who stood waiting at the palace entrance, became deeply anxious and they were more disturbed when they saw the royal coach arrive with its bloody horses. But the royal family were finally relieved when they saw the king and queen arwhen they saw the king and queen arrive. Queen Christiana embraced them and uttered her thankfulness at their escape. The princess of Wales was also solicitious regarding the victims and asked for information about the fate of the marchinges. Takes the marchioness Tolosa.

It is asserted that letters were received.

ed in government quarters last night asserting that this would not be the last attempt, as the band of conspira-tors had declared its intention to keep at it until their object was attained. This led to the discussion of the adjournment of some of the main features of the fetes in which the royal family were to be spicuously present. The tragic event ter, and the count festivities. The people no longer show liveliness and hilarity. There was a vast concourse.

magnificent display of fireworks, with street singing and dancing last night but they proceeded with lack of spirit A pall mems to have fallen over the com-

have it in which an infernal machine which was fired by a storage battery, was concealed, Morales summoned the wife of the proprietor of the hotel and asked her to bring him a glass of soda water, apparently to steady his nerves. Among the many articles of luxury left by Morales in his room were a suit case containing handsomely mounted toilet requisites, a light summer overcoat, lined with silk, several articles of linen, having the initials cut out, a plan of Madrid with the route of the cortege traced upon it, and a number of tins

with any of the known anarchists on the lists of the police. The general theory of the police is that the author of the outrage had a larger political aim than ordinary anarchists. The authorities, in spite of the conflicting statements regarding the suspect, have not yet made

any announcement tending to clarify the situation. It is now possible to asse act picture of the scene from the descrip-tion of witnesses of the occurrence. Don Alvares de Toledo, one of the equeries of the king, and a lady who occupied a of the king, and a lady who occupied a balcony opposite where the explosion occurred, give a graphic description of the explosion. Bight horses of the royal coach had aiready passed the tribune and the enthusiasm of the multitude had reached its highest pitch at the sight of the king and queen and their superb retinue and shouts of greeting filled the air and the trumpets were sounding a welcome, when suddenly a bouquet was thrown from a balcony, amid the streamers, followed by a terrible detonation, thrown from a balcony, amid the streamers, followed by a terrible detonation, accompanied by flashes of vivid fire and a crash of glass. Everyone within a hundred feet was stunned and overthrown, but those nearest the spot where the explosion took place were killed outright, while others were horribly mained. The first horses of the royal coach met the full force of the explosion. One of the animals plunged forward, covered with blood, reared up on its hind feet and fell backward dead. Grooms sought to extricate the horses drooms sought to extricate the hors and drive the coach on. King Alfon was seen at a window of the coach, m tioning calmly. But the dead horse in peded progress and compelled the aba the spectacle made him appreciate the gravity of the situation. He supported the queen as she got out of the coach. She was promptly removed, almost hysterical, and passed her hand over her face and hair as if to shut out the fright-

fal seem. The young couple then enter-ed another coach, which was hurriedly taken into the huge courtyard of the palace, around which detachments of cavalry immediately closed. In the meantime there was a terrifying spec-Those who had not been killed or wounded, or who had only been slightly injured, broke into a mad panic, women screaming and scrambling until in some cases their dresses were partly forn off in their wild effort to escape. the sidewalks were packed with people closely wedged, fighting, shouting and gesticulating. In the centre of this confused mass lay the dead and wounded. A wounded horse was moaning as he expired, and the killed and wounded officers and soldiers lay on the ground with uniforms torn and bloody. From the balconies came other shouts and groans, howing that the area of destruction wa

Court officers, who a moment before had been taking part in the brilliant pageant, were now transformed into a relief corps. Men with brilliant uniforms, covered with gold lace and deco ations, superintended the bringing of litters, doctors hurried to the spot and priests came to administer absolution to the dying.

A member of the civil guard this af-

ternon recognized Hamilton, the Eng-lish suspect, as a companion of Manuel Morales, on the balcony from which the omb was thrown at the royal carriage The two men were also seen together at

Barcelona.

The funerals of eight officers and men, the marchioness of Tolesa and her daughter, and the countess of Orderes, took place this afternoon, in the presence of At the

of the infanta Maria Teresa, visited the hospital this afternoon in hehalf of queen Victoria. Prince Ferdinand talked with the wounded and sent a royal chaplain to comfort and aid them. He also viewed the body of lieutenant

The man in custody at the Medicedia poisee station, and Hamilton, the suspect taken into custody by the poisee at the instigation of the English detectives are now said to be identical, but the fact has not been definitely established. Hamilton was arrested, it now appears, she was on the point of taking a train leaving Madrid. He is said to have arrived here from Catalonia, the hot bed of anarchy, and had first gone to the Calle sevenal, on the route of the wedding procession, where he engaged a roum. Falling to secure a front belicony, however, the suspect gave up his groom and went to the Calle Mayer, where he offered to pay any price for a halcony They were all occupied, but a Catalonia artist was induced by the offer of a large sum of money to give up his apartment, in front of which was a stone balcony with an iron railing. This immediately faced one of the handsome arches under which the cortege was to pass.

The stranger who hired the artist's apartment gave the maine of Manuel Morales, and lived on a lavish scale. A minute before he threw the bouquet containing the bomb, or as some reports have it in which an infernal machine which was fired by a storage battery, was concealed, Morales summoned the wife of the proprietor of the hotel and asked her to bring him a glass of soda water, apparently to steady his nerves. Among the many articles of luxury left by Morales in his room were a suit case containing handsomely mounted tollet requisites, a light summer overcoat, time with silk, several articles of linen, having the initials cut out, a plan of Madrid with the vouted to be another outrage.
