### YOUNG PEOPLE OF KINGSTON ENTERTAINS TORBROOK MINES COMMUNITY CLUB

On Friday evening the Young People of the Kingston Methodist Church entertained as their guests the Torbrook Mines Community Club.

Although the weather was somewhat doubtful the Torbrook folk had visions that completely drove away all misgivings and arrived some 40 strong about 8.30 under the capable direction of Messrs C. R. Banks and Armstrong.

A program of music furnished by the Kingston Orchestra, under the direction of Arthur Hilton constituted a large part of the programme which was much appreciated.

Miss Marie Power was heard in some very pleasing readings and Mr. Hilton sang some very entertaining songs.

At the close of the programme all sat down to a very sumptuous repast. At the close the Kingstonians bid the visitors good night and they returned to their community all in one accord that they had spent a very pleasant time.

Some little time ago the Kingston people spent such a night as this in Torbrook and both societies are hoping that they may again mingle under

similar circumstances in the coming year

When Men Had Appetites

Eating and drinking competitions were among the joys of bygone days in England. People were much more hefty feeders in those days than they are today. Prizes were awarded at fairs and similar places to the man who could dispose of the greatest amount of food in a given time.

A contest of that sort says the Argonaut was organized in a mining town in the North of England. One competitor, a great collier six feet in height, and broad in proportion, succeeded in disposing of a leg of mutton, a plentiful supply of vegetables and a plum pudding washed down with copious draughts of ale. He was unanimous declared the winner and was being triumphantly escorted home when he turned to his admirers and said: "Eh, lads, say, don't say nowt of this my old woman, or she won't gie me no dinner."

### INTERESTING MEETING OF W. I.

The April meeting of the Women's Institute was fraught with interest from first to last. It was held at the delightful home of Mrs. E. S. Spurr, about 40 being in attendance. After the usual routine of business and attention to reports and new business, the committee for the evening, Mrs. G. W. Crowe, convener, presented a most attractive programme. A piano duet by the Misses Doris Bentley and Annie Crowe was heartily appreciated. A solo by Miss Marguerite Cummings was greatly enjoyed.

Papers were read on "Bible Culture," Mrs. Crowe's, read by Mrs. P. R. Bentley, dealt with "Hygiene," and Miss Wright's on "Daughters of Tullip." Rev. Wm. Turner was present and by illustrations and practical experience enlightened us very fully on the culture of gladioli. A question arose at the close of his address proved interesting. The roll call was assisted by many a bulb.

A dainty and unique lunch was served after the formal closing. It was served individually in dainty paper napkins, representing a bulb, and shoots of green to fully carry out the scheme.

One pleasant feature during the evening was the presentation of certificates to those who had passed the percentage of attendance at the Home Nursing Class.

Also the sum of \$25.00 was voted by the Institute to the Hospital Table Equipment in the form of dishes and flat silver.

A vote of thanks was given to those who assisted in the program.

### MESSAGES FROM THE YOUTH OF CANADA TO THEIR MAJESTIES, THE KING AND QUEEN WILL ACCOMPANY KEYS FOR "CANADIAN BUILDING"

(Special to The Outlook)

Toronto, May 14th—King George and Queen Mary on June 29th, in Trafalgar Square, London, England, will open Canada's new building. They will open it with keys made of gold, silver and nickel from Northern Ontario mines.

The keys for the opening will be presented to their Majesties by Hon. Peter Larkin, Canadian High Commissioner. With the keys will be presented messages from the youth of Canada to their Majesties; one to the King from the boys of Canada, and one to the Queen from the girls of Canada.

The Toronto Star has been invited to find the boy and girl adjudged most worthy to sign these messages on behalf of the children of Canada. The Star will make that boy and girl fitting representatives of the youth of Canada to sign the messages to the King and Queen on the occasion of the opening by their Majesties of the "Canadian Building" in London, England, on June 29th, 1925.

To find the most suitable boy and girl, the Star offers certain prizes and awards. To the boy and girl adjudged most qualified, under the conditions outlined, to sign the cable messages to the King and Queen on behalf of the children of Canada, the Star will give \$500 away in cash besides the honor of signing the messages.

To the boy and girl who write the best messages for the King and Queen which the winners of the "Attainment" Contest are to sign, The Star will give a cash prize of \$100.00 each. The messages must not exceed one hundred words each. The contests are opened to children in all parts of Canada.

#### THESE DON'TS WILL SAVE BUD-DING MOTOR CAR DRIVERS GRIEF

Trouble and accidents can easily be kept away by observing simple rules of conduct and handling auto. Here are some don'ts that will be of benefit to motor car drivers, if they abide by them.

DON'T LOOK BACK

Don't look back at the car that has passed you or that you have passed. There is always something to watch ahead.

Don't hog the road. You are not the only one that uses it.

Don't imagine you are a second Barney Oldfield. You're not.

Don't show off because you are driving a big car. The little fellow may tow you in.

Don't tickle the engine if it is working all right. Leave it alone.

Don't think you know more about it than the designer. You don't.

Don't try to beat trains to the crossing. They are too heavy.

Don't drive a car fast that has been newly overhauled. Treat it like a new engine.

Don't blame the mechanic if you drive fast after overhauling and then have some trouble. He is not accountable for your actions on the road.

Don't drive with your foot on the clutch, though in traffic it facilitates control.

DON'T RACE ENGINE

Don't race your engine. This flattens the bearings.

Don't skid your wheels when pulling up.

Don't let in the clutch with a jerk. Don't rush a machine, especially if it's a large one. Take it easy, and you'll probably get through. Water on the distributor stops you mighty quick.

Don't starve the car of oil, and grease. These are cheaper than new parts.

Don't think because a car passes you that you are bound to pass it. Most accidents happen that way.

Don't forget the rules of the road.

Don't try to take on high what you know should be taken on intermediate.

Don't run your engine in a closed garage. You might take wings.

Don't light matches around gas tanks and carburetors.

Don't forget to test and inspect your brakes regularly.

Don't forget the slogan "SAFETY FIRST."

THURSDAY FOR THE HALF HOLIDAY

The weekly half holiday will be observed by Middleton merchants on Thursday afternoons this year, commencing on May 28th.

The public is asked to kindly bear this in mind, that Thursday afternoon is a holiday in Middleton.

Last year the holiday was on Wednesdays, but this caused a great deal of inconvenience to people who came to town on the South train, and had business to attend to here.

It would be a good thing if all the towns in the Valley maintained the same day for the weekly half day off. Then one town could patronize any doing with its neighbors with out stopping business to do so.

Thursday is a much more desirable day of the week to take a half day off, as the full seems to come on this day in preparation for the week end still.

Remember Middleton's half holiday is Thursdays.
