Meet At London Next Year
The Grand Lodge, Independent Order of Oddfellows, will hold its annual convention in London next summer. The Forest City was picked as the next meeting place at this morning's session.

Poor Car Service.

Owing to the limited car service night on the Grand River Railway many who had intended taking in the Tattoo at Galt were obliged to stay at home.

The difficulty was caused by no sufficient cars being available several being out of commission owing to motor trouble. Under the circumstances however the company did everything possible to make those who took in the trip as comfortable as possible.

Will Play Tomorrow.

The Boys Band of Waterloo will give a concert at the House of Refuge tomorrow (Sunday) afternoon commencing at 2:30 o'clock and no doubt the inmates will appreciate this act of kindness on the part of Prof. Thiele and his band. The program as selected comprising as it does besides band numbers, saxophone quartettes, mimbophone trios and duets, and will be one of exceptional merit.

Flower Thieves Visit City.

Flower thieves have made their appearance. Last evening they put in some work on Scott street. They ravaged the garden on a certain property on that street. As a result of their trespass some beautiful red roses and nine peonies are missing. The trespassers were not very particular whether or not they left any marks of their depredations behind. At least the flowers which were stolen on the lawn and the marks in the garden besides the torn bushes show that they were not much concerned whether or not their visit would be discovered.

Will Locate in Sarnia.

According to a semi-official announcement made yesterday, Sarnia is to have another new industry. The Pressed Metal Company, Limited, Toronto, manufacturers of bushings and other automobile parts, has decided to locate there and according to the announcement will locate their head offices there and will also establish a plant at Port Huron. This company is well known throughout Canada and the announcement of the location of the Canadian branch of the Wills-Lee company in that city, together with the natural advantages the city affords, induced the company to locate there. Further announcements of the plans of this company are expected within the course of a few days.

Returned from Africa.

There are visiting in the city Rev. Joseph K. Blakeney and Mrs. Blakeney returned missionaries from Africa. Mrs. Blakeney is a former resident of this city and left here with her husband seven years ago. She is a sister of Mrs. Joseph M. Snyder, city.

They have been laboring in Central and South Africa and in the Belgian Congo and have met with success among the Zulus and the Balubas. They are laboring under the auspices of the Pentecostal Mission. Rev. Mr. Blakeney also has been a chaplain with the British forces in South Africa. A further reference will appear in the next issue.

Agreement Ratified.

At the regular meeting of the Park Board last evening the agreement between the Board and the Kitchener Baseball Club was read and ratified. The agreement is the same as originally drafted with the exception that the time is for three years instead of five. The Club wanted five but the Board did not see their way clear on this point. Two members in fact were for a one year agreement only, namely Mr. H. Ford and Mr. Polakowsky. Mr. Welheiser and Mr. W. Knechtel made a motion to make the agreement for three years, the tie vote was carried on A.W. Feick's vote. Mr. W.J. Williams and Mr. L. Seyler were present representing the baseball club.

The rest of the Board's business was routine.

Instantly Killed Near Beachville
Nick Aiding, employed at the Beachville Lime Kiln, was killed on the railway track at Beachville about 6 o'clock last evening.

The victim had just left his work and was walking towards the village when struck by a passenger train. The body, which was badly mutilated, was brought to the city and an inquest will be held to-day.

Brantford Planning New Grounds

The Brantford Chamber of Commerce has taken hold of the campaign to rejuvenate Mohawk Park athletic grounds. These were formerly famous all over the province, but in recent years have been practically monopolized by the Agricultural Park grounds, the only grounds fitted for athletic events and the need of Mohawk Park's track is specially felt for the twilight meets held every Wednesday evening and drawing as high as 2,000 attendants. Last year the meets resulted in \$1,600 being given to the Brant Sanatorium.

The plan of J. M. Shuttleworth for a memorial square on the market square, now occupied by the civic pile and the market, has been adopted by the civic memorial committee and will be presented to the Brantford City Council next Monday. It calls for triumphal arches on four corners. A civic building on each side and on oblique gun surrounded in the center. The plan would necessitate the removal of the market and this is expected to prove a stumbling block as in every other effort to improve the square.

Got your Season Ticket to the Chautauqua yet? It pays!

Many at Galt Tattoo

Just as popular as ever is the Galt Tattoo. Last evening the 13th of which was held last evening in Dickson Park with a crowd of between 6,000 and 7,000 persons present. Four bands participated in the musical program and tattoo, the Waterloo Musical Society and the Henderson Concert Troop of juvenile dancers, of London, were special features. The musical festival came to a close with a fine fireworks display. Many were present from the Twin Cities.

Galt, June 20.—Central Hotel, Main Street, in the heart of the business district, one of the landmarks of the city, and in the days of the stage coach one of the most popular hostleries in this district, has changed hands. It was built about 1842, but in recent years had been neglected and become an eyesore. J. C. Caldwell, owner, and resident here for nearly 50 years, moved to West Toronto recently and John Weston, of 755 Grey Street, purchased the property. The Royal Bank has obtained an option at a handsome figure, which will be exercised.

Pilot A. B. Jones, of 193 Langart Street, received injuries from which he died at 11:45 o'clock last night, and John Weston, of 755 Grey Street, suffered three broken ribs and some other minor injuries when the aeroplane which had been flown from Toronto yesterday, crashed on its initial passenger flight at 8:45 last night.

Pilot Jones had arrived in the city at 7 o'clock in company with his mechanic, having flown from Toronto, where on Thursday he purchased the plane, and was ascending in his first passenger trip when the accident occurred. The cause of the accident is traced to the failure to work of a wire controlling the elevating plane. He had risen and was circling at a height of about 75 feet when the machine suddenly swerved and plunged whirling to a bog in the rear of a farm on Lorne Heights, north-east of the city.

The plane was badly damaged. The engine itself was intact, but the radiator and gasoline tanks were smashed and a blaze was narrowly averted.

Going? I am! "I wouldn't miss it." CHAUTAUQUA.

The Imperial Munitions Board's nitrogen plant at Trenton was destroyed by fire.

In Memoriam.

In sad but loving memory of our beloved father Nicholas Raitor, who died one year ago to-day June 21 1918.

Sad so sad was the call

Of him so dearly loved by all.

He suffered much but murmured

Not. We watched him night and day.

His aching heart grew less and less.

Until he passed away.

More and more each day we miss him.

Friends may think the wound is healed.

But God alone knows the sorrow

That is within our hearts concealed.

Peaceful be thy rest dear father.

It is sweet to breathe thy name.

In life we loved you dearly

In death we do the same.

Sadly missed by his loving wife and children.

KEEP CHILDREN HEALTHY

To keep children healthy the bowels must be kept regular and the stomach sweet. Nine-tenths of the ailments which afflict little ones are caused by derangements of the bowels and stomach.

No other medicine can equal Baby's Own Tablets in guarding either the baby or growing child from the ill that follow a disordered condition of the bowels or stomach. They are a mild but thorough laxative and never fail to give results. Concerning them Mrs. W. B. Cooledge, Sarnia, Ont., says: "I have used Baby's Own Tablets for over three years and have found them the best medicine I have ever used for my children. I never have any trouble giving them to my little ones and they have saved me many a doctor's bill. My advice to all mothers of little ones is to keep a box of the Tablets in the house." The Tablets are sold by all medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Dr. J. Salmon, aged 98, died at home in Simcoe.
