* British Bank figures include appropriations for the three funds "Officers' Life Insurance," "Officers' Widows and Orphans," and "Pension Fund." Prior to 1912 the totals of each calendar year were given; in 1912, 1913 and 1914 the figures shown for this bank represent the appropriations for year ending May.

† With reference to the Imperial, appropriations of \$7,500 in each of the years 1914, 1913, 1912, 1911 and 1910 were stated as for "Pension and Guarantee Fund." The Imperial also appropriated \$20,000 for Pension Fund in 1909. Appropriations by the Nova Scotia, British, Merchants, Commerce and Royal for Pension Fund purposes were begun prior to 1901. The Bank of Montreal has a Pension Fund which has been long in existence, but the annual reports do not reveal the amounts of any appropriations made for this purpose.

* In connection with the sale of property on north-east corner of King and Yonge Streets, Toronto, there was in 1912 a decrease of \$790,000 in book value of the Dominion Bank's Premises Account. Even though the funds for such writing down were not taken from the Profit and Loss Account, the transactions should be taken into consideration in perusing the above statement.

† Included in the above appropriations for premises are a few to write down furniture, safes, etc., and to meet expenses of opening branches.
