THE GLEANER.

Address, THE GLEANER, Fredericton, N. B.? TRI-WEEKLY EDITION.

TUESDAY, NOVEMBER 23, 1886.

minion Parliament, GEORGE F. GREGORY

instances where men faithful to the part been tolerated by the leaders but for : short time. They are brushed aside t make way for those who will bring into

When a vacancy occurs in the repr sentation the tory's first consideration i selecting a party candidate is: who can question of qualification is not even thought of.

trated than in the selection of Mr. Tem ple in January, 1884, as the candidate of department of the public service. the tory party in York.

We do not purpose to point out where cation to represent the intelligence of York in parliament. Every one car judge of that for himself. We admit the successful operation of the principle of corruption gradually; and the our side and it is strong enough to effect province. practical application of it in secur ing Mr. Temple's election has been admitted by the leaders of his party and

Our object now is to point out some of to bring home to the voters themselve the responsibility of the encouragement their franchise as the most precious of and success of the wicked practice; and, their franchise as the most precious of their privileges. They should be made if possible, to arouse the liberal party nant effort to rid the county of the briber and to redeem its character from the now too just charge of being an intensely corruptible county.

influence felt ir the milder form of promises to remember the voter when the candidate should be elected. Probably we would have to go back to a previou generation to find the beginning of the influence so gently and innocently

What we have to deal with to-dry party. is an audacious attack upon the prudence and morality of the by which confederation was carried an I practised at every election, dominion de re that no party victory can be said
