CHICAGO STEEL TAPE CO.,

160 Princess Street - - - WINNIPEG, MAN.

## Reach the Principal Contractors through THE CANADIAN ENGINEER

Municipal contracts should be let at the lowest possible figure. You cannot secure low bids unless you place your proposition before a large number of contractors. The larger the number, the greater the competition and consequent saving. More contractors look for proposed work in THE CANADIAN ENGINEER than in any other engineering publication in Canada.

**The Canadian Engineer** Only Civil Engineering Paper in Canada  
Toronto - Montreal - Winnipeg
