think many of the letters of the corre-
pondence columns are very interesting
and I would like to say that I have
derived much pleasure from reading them.
I only came to Canada from Scotland
last spring, and I like it very well. I am
not in the matrimony line just yet as I
am only nineteen. I do not mean to say
that I would not marry if Mr. Right
would come along, but as yet I am still
heart whole and fancy free. I am not
very tall being only 5 ft. 4 inches. I
have dark brown hair and eyes and a
nose somewhat of the pug order; full
red lips and a clear complexion. I weigh
somewhere about 130 and 140 lbs. I take
size 6½ glove and size 5 shoe. I should
like to correspond with young people of
either sex as I want to know more
about the different parts of Canada. I
may go further west by spring. I hope
you will address and mail the enclosed
letter to "Bright Wickaded." I am a
working girl and have worked on farms
all my life. Now, I hope I have not
overstepped the limit, and that this will
pass that dreaded waste paper basket.

Uncle Sam's Boy Falls Into Line

Battleford, Sask., March, 1910.

Sir.—As I have been one of your
Monthly readers for a long time, I can-
not keep from bothering you with a
short letter. I am ranching in the south-
ern part of Saskatchewan and like it fine
although it is rather cold in the winter.
Some like to be in town most of the
time but for me I like it where I am,
forty miles from town or railroad. I pre-
sume lots of the girls will be ready to
come and gallop over the prairie on a
bronco—and help me round up the cattle
or run down a wolf. Well before I say
too much, I will give a slight description
of myself. I am a Yankee and have been
a quarter of a century under this sun. If
anyone cares to know anything about
bronco busting tell them I can answer all
questions.

This One Wants on Angel

Peelee Island, Ont., March 27th, 1910.

Sir.—My mother has been a subscriber
to the W. H. M. for some time so I will
venture to write my first letter. I would
like to correspond with a nice young gen-
tleman who does not drink or smoke.
We keep the post office, customs office,
telephone and boarding house and have
quite a lot of fruit. I play the piano,
paint a little and can do all kinds of
house work. My father does not allow
me to milk the cows although I think a
girl should know how if she marries a
farmer. I am soon to be in my twenty-
second year and have light brown hair
and eyes.

Keeps House for Father

Craik, Sask., March 18th, 1910.

Sir.—As my father has been a
subscriber to this paper for some time
and I have found it very interesting
especially the correspondence column, I
thought I would write as it will be good
pastime for me. I live in the North-West
on a farm. I have kept house for my
father for about three years. I am
about five feet, three inches tall, between
eighteen and twenty-four years of age
but not an old maid. I can keep house
fine also am a good cook. I can play the
organ a little and am very fond of horse-
back riding and all outdoor sports. I
think some of the letters in the W. H. M.
very nice while others are foolish. Some
of the girls are too strict about the men
smoking. I do not mind that at all if
the men enjoy a smoke once in a while.
I would like a few correspondents from
either boys or girls. Please forward en-
closed letter to Hooligan, Fairfax, Man.,
in March number. Wishing the W. H. M.
success.
"Dark Hair."

Another Youthful Bachelor

Melfort, Sask., April 25th, 1910.

Sir.—I have been reading the letters in
your papers for some time and thought
I would like to write too. I am a lonely
homesteader just 20 years of age and
feel if some nice girl would care to cor-
respond with me it might cheer me up.
I am 6 ft. high, weigh about 150 lbs.,
have lovely goo-goo eyes and fair curly
hair, nice brown complexion. I neither
drink, smoke nor chew. Any nice girl
who cares to write first will find my
address with the Editor. Wishing your
paper every success.

50,000 Boxes Free

If You Have Rheumatism, Lumbago, Sciatica,
Let Me Send You a 50c. Box of My Remedy Free

Deformity in Chronic Rheumatism

John A. Smith and His Remarkable Remedy for Rheumatism. Cured Himself
First, and Now Offers 50,000 Boxes of His Remedy Free.

I will give away 50,000 fifty-cent boxes of my
remedy for rheumatism to demonstrate its great
value in rheumatic conditions.

My remedy is not made of obscure ingredients.
It is made of such well known remedies as Potas-
sium Iodide, Poke Root, Guaiac, Resin, Stillingia
and Sarsaparilla, and anyone familiar with drugs
will at once realize its great value in rheumatic
conditions.

Some people seem to think that rheumatism is
an incurable disease. I know it is not, because I
was told years ago when I had it so bad that I could
never be cured. But I was cured by the above
ingredients, named the remedy "Gloria Tonic"
because I experienced such glorious relief from its
use. "Gloria Tonic", of course, did not cure me
in a day, nor in a week, but my own case proves
that rheumatism can be cured.

There are some rheumatic sufferers who will
never be cured, even if their cases are slight and
easily curable. This is due to the fact that they
do not understand what rheumatism really is.
They try a remedy a short time, and if relief is not
felt at once they discontinue its use, and call it a
fake. This class of rheumatic sufferers usually
take their affliction to the grave.

Bear in mind that rheumatism never forms in
the body overnight. Sometimes it is in the system
for years before it makes itself known. It is
nothing but excess of uric acid in the blood that
causes it. Cold, wet or damp may make it known
suddenly, but the rheumatism was in the body long

before, or the cold or damp would never bring it
out. It takes a long time for enough of that "uric
acid" to get into the blood to make rheumatism,
but when it is there this excess of acid must be
neutralized. This is what "Gloria Tonic" has
accomplished in hundreds of cases, even in persons
of seventy and eighty years of age.

After this remedy cured me I tried it on my
friends and acquaintances who were suffering from
rheumatism. It worked the same with them as it
had with me. At National Military Home, Kans.,
it cured a veteran who had rheumatism in his hips
and knees. In Hannaford, North Dakota, it cured
a gentleman who writes: "Since taking 'Gloria
Tonic' I am as supple as a boy." In Stayner,
Ontario, it enabled a lady to abandon her crutches.
In Western, R. I., it cured a farmer 72 years of age.
It has also cured many cases which defied electric-
ity, hospital and medical skill, among them persons
who had suffered for more than 30 and 40 years.
Even prominent physicians have admitted that
"Gloria Tonic" is a valuable remedy in rheumatic
conditions, among them Doctor Quintero of the
University of Venezuela, whose endorsement bears
the official seal of the United States Consul.

If you suffer from rheumatism, lumbago or
sciatica you know what it means to you to be cured.
You at least know that it will be worth the trouble
to write and get the free 50 cent box that I will send
to all who ask. You will certainly get enough
relief from it to pay you for the postage stamp and
the trouble it takes to write. This offer is not for

curiosity seekers or children, as the remedy is too
valuable to be wasted.

Cut out the following coupon, mail to me with
your name and address and by return mail you
will receive the 50-cent box of "Gloria Tonic".
Tablets free and also free a book on rheumatism
which contains many stippled drawings from actual
life and which will tell you all about your case.

Still the Most Effectual Cure For Stubborn Dyspepsia

REV. ARTHUR GOULDING, B.D., Chaplain, The Penitentiary, Stony Mountain, Manitoba,
writes:—"It affords me very great pleasure in testifying to the merits of your invaluable medicine—K. D. C.
which, if taken together with the pills is warranted to remove the most stubborn case of dyspepsia. I can-
not say that I arrived at that stage when the disease had become chronic—but I have suffered intensely
nevertheless. I had been under medical treatment for some time, with but little relief—when my attention
was directed to your cure. I tried it, and it has most effectually cured me."

Use K.D.C. Pills for Constipation. THEY CURE!

12 Tumors Removed Without An Operation

Silver Lake, Ont., Sept. 20, 1909.
Dear Mrs. Currah.—I am enjoying better
health than I have for eight years.
I think I am entirely cured. I have none of the old symptoms. I am very
grateful for my present health, and think Orange Lily is the greatest treatment
for women the world knows. Its
use in my case caused 12 tumors
or growths of some sort to be ex-
pelled. Some were as large as a hen's
egg, and others smaller, down to
the size of a walnut. You may use
my case in your advertisement, for
it is the solid truth, and pen
cannot describe all the good it has
done for me. Mrs. Louise E. Bolte-
ridge.

This letter gives an indication of
the positive benefits that always
follow the use of Orange Lily. It is
an applied treatment and comes
in direct contact with the suffering
organs. It produces results from
including painful periods, falling of

the start in all cases of women's disorders, such as
womb, irregularities, leucorrhoea, etc.
I will send a sample box containing 10 days' treatment absolutely free to any
suffering woman who has not yet tried it if she will send me her address. Enclose 3
stamps and address MRS. FRANCES E. CURRAH, Windsor, Ont.

Orange Lily may be procured in Winnipeg from The T. Eaton Co., Ltd.
