ALPINE SKI TEAM IN TRAINING

What, you train at 7:30 am five days a week!!! Most people find this difficult to believe but not the members of Dal's Alpine Ski Team. Having come third three years in a row in the Eastern Canadian Ski Championships held at Carlton, Ont. the team is giving their "all" in preparing for the ski racing circuit this year which usually involves five to six regional meets before the intercollegiates.

Returning for his third year as head coach is Bill Honeywell, a former member of the Canadian National Ski Team. Bill is quite optimistic about winning

this year and has good reason to be as all the veterans from last year's team have returned. Rounding out the coaching staff is Andreas Josenhans as Assistant coach and Wally Fry as Training coach. Returning team members include Dave Green, Hiner Josenhans, Al Sinclear, and Mike Kearney.

This year the "snow tigers" will see the addition of a womens team whose members include Gill Morrow, Glenna Landrigan and Joanne Blaxland.

The team leaves for Mt. St. Anne, Quebec, for a ten day training camp, 26 Dec. - 5 Jan. 75.
