although it is not a very great distance from
one of my missions but I have been
making inquiries about it and hope to
have an interesting inspection some day.
I shall remember you to Miss Addams when
I see her.

I am sending this to Toronto as I presume
you will be home for the Christmas
holidays. The photographs accompanying
the letter are for your mother with our
kindest regards.

I had a very interesting Post Card from the
King family on the fourth of December
