Re: Cloolthpich Indian Reserve - Timber

With reference to your letter of February 12th
surrender of the timber on the above-named Reserve has
been accepted by Order in Council dated March 26, 1953.
The Reserve comprises 59 acres and it would be appreciated
if you would supply an estimate of the quantities of
timber and recommend an upset price and any special
conditions which should apply to this sale. Please also
advise the names of the newspapers in your locality in
which you would recommend publication of the advertisement
for tenders.
