SUGGESTIONS TO PATRONS

Physicians and others who anticipate being summoned during the performance are requested to leave their seat numbers at the main entrance in order that they may be promptly notified should any messages be received for them.

All articles found by any of the employees will be left at the main entrance, where owners may direct inquiries.

Patrons who find articles left in the seats are requested to leave them at the main entrance.

The management, seeking above all things to please its patrons, will gladly and thoroughly investigate any charges of discourtesy preferred against any of its employees.

Any demands for fees or acceptance of money for seats by ushers or other employees, or any incivility or inattention of any attaches, will not be tolerated. Patrons will confer a distinct favor by reporting to the management any violation of this rule.

The management positively disclaims any connection with ticket speculation, and reserves the right to refuse tickets bought from speculators. If the unthinking public desire to patronize speculators, it is hoped they will be careful not to be imposed upon, and make sure of the location and the regular prices for seats so bought. The management can in no manner be held responsible for such transactions.
