PORTRAIT PAINTING.

W. S. TAGGART'S

ART STUDIO.

After a number of years of practical experience in Portrait Painting, having observed that quick sales and small profits are the most beneficial, I will paint portraits at low enough rates to enable the millions to have them.

Parties who wish to have their portraits painted from sittings, and are unable to come to my studio every day for sittings, I shall endeavor to accommodate by going to their residences and doing the painting, without extra charge.
