

## Canada's Leading Company

ALSO LEADS ABROAD.

The Ohio Insurance Department has recently published a tabulated statement of the ratio of expense to mean insurance in force for the year 1899 of all the Life Companies doing business in that State.

The expense ratio of the CANADA LIFE is lower than that of any of the well known American companies and less than half that of some of them.

Its low expense ratio is another evidence of that successful management which has earned for the CANADA LIFE the title:
