BREEDERS OF DRAUGHT STOCK

Notice is hereby given that the receiving of entries for registration in Volume B of the Dominion Draught Horse Stud Book will close on March 1st, 1890, after which the standard of registration will be raised to three crosses for stallions and mares. Dams with two crosses will then require to be also registered to admit progeny, but mares entered alone must have three crosses. No entries on the present standard will be received after that date, and parties interested will do well to govern themselves accordingly.

Blank entry forms and all information will be promptly furnished on application to the undersigned. By order of the Council.
