J. L. Thornton, Esq., Gen'l Agt., Barnston, P. Q.  
Dear Sir,—I have used the "Kemp's 20th Century Manure Spreader" which I recently purchased from you, and wish to add my testimony as to its merits. It works to perfection; in fact, far ahead of my expectation, and I believe we will derive double the benefit from the manure spread by this machine, over the usual method of spreading by hand, as the Spreader pulverizes the manure very finely and spreads it so evenly that there are no lumps left on the land. I never invested in any implement that I consider my money so well spent as in the Spreader, for it is such a labor saver and manure saver as well. Wishing the "Kemp" Manure Spreader every success, I am, Yours truly, J. A. McCLARY, breeder of Scotch Shorthorn cattle.
