#### Hampshires at Wiltshire County Show.

The increased interest taken in Hampshire Down sheep in Canada will render interesting a few notes re the exhibit made at this show, because the competition here ranks very high in the opinion of the breeders, and great efforts are made to secure an award here.

The entry, as a whole, was of very superior merit. In the yearling ram class, Mr. Carey Coles, with a splendid type of the breed, secured first honors. Second and third places were filled by two rams from Mr. James Flower's flock. These were of high quality, with capital fleeces and grand flesh. Mr. H. C. Stephens and Sir W. G. Pearce, a fresh exhibitor, came in for minor honors. The pens of three ram lambs were well brought out, Mr. Flower's being an easy first; second honors going to a big, wellgrown pen of wide lambs from Mr. Ovey's; third were a pen from Mr. Coles. The r. n. pen of Mr. Stephens' were badly treated in being so low down as No. 4. This flock has been well bred for many years, and is fast coming to the fore. For single ram lambs, a notably fine and typical lamb, with the best of flesh, type and symmetry, property of Mr. Flower, was selected for premier honors. Mr. Coles secured second honors with a lengthy lamb, of good character and type; leaving third award to a meritorious lamb of Flower's. This last named exhibitor again demonstrated the merit of his grand flock by taking first and second honors in the class for pens of three ewe lambs; the winning pen being quite one of the best sent out for some years from Chilwark. This pen was made the champion pen of the show Mr. Ovey's pen came in for the next award, a very wide and well-grown pen; whilst those from the flock of Sir W. G. Pearce was of great merit and quality. Mr. Stephens' flock was also represented by a specially good pen; whilst Mr. Cole's entry, that displayed good merit, was out of the competition owing to a slight accident to one of his lambs.

Four prizes are offered in each section by American Cotswold Registry Association, and the four animals holding the highest places among those that are eligible to compete will be awarded 1st, 2nd, 3rd and 4th special prizes according to their respective posi-
