

Ornamental Fencing
affords protection to your lawns, flowers and children, in addition to adding a finishing touch of beauty that is most pleasing to the eye and satisfying to the owner.

Peerless Ornamental Fencing is unequalled for beauty of design, artistic finish and strength of construction. We have spent years in the manufacture of fencing and consequently we know what is best, to give real fence service and how to make such a fence at a price you are willing to pay. Don't be misled by the inferior and cheap articles offered by catalog houses, because such fencing is dear at any price.

Our Agent will supply you, but if there is none near, write us direct, mentioning the name of your dealer, and we will see that your requirements receive prompt attention.

Making Money and Saving Money

THE FARMER WHO TRIES TO GET ALONG with a wheelbarrow and its back-breaking drudgery when cleaning out his stable, is not saving money, and he's not making any.

LOUDEN

Feed and Litter Carriers are money savers. Stalls and Stanchions are money makers.

LABOR costs money, and half a day spent doing a job that machinery could do in half an hour is bad business and bad farming. The saving of time alone (to say nothing of increase in value of properly handled manure) by the use of a Louden Litter Carrier will pay handsomely on the investment.

CLEANLINESS on a farm is as important as cleanliness in the home. Clean healthy contented cows give a greater flow of milk. Sanitary surroundings are essential to profitable dairy farming. With Louden's Steel Stalls and Stanchions, the cows get freedom of movement, and lots of air and light.

We want every Farmer to have our Book, "Perfect Barn Equipments," because it describes Louden's Litter Carriers, and Stalls and Stanchions, and many other labor-saving, money-making devices for the farm. It is free for the asking—you'll find it a help.
