LISTEN?

That's what you ought to do—listen!

Not to mere claims which sound impressive and which are made alike for all kinds of pianos. Nor to artists' recommendations, which are too often purchased for publicity purposes.

We'd like you to judge the

MASON & RISCH "The Piano with a Soul"

by listening to the instrument itself, and making an unprejudiced comparison with the best piano of any other make which you have ever heard.

Listen to the Mason & Risch in the homes of your friends where it has been put to the test of continuous use for five, ten, twenty years or more. Ask them if its tone lasts—judge for yourself by comparing the tone of a 20-year old Mason & Risch with any new instrument.

Let the beautifully-balanced, clear, sweet, singing tone of the Mason & Risch speak for itself—while you "listen". That's the safest, most satisfactory way for you to determine your choice of a piano.

The MASON & RISCH PIANO CO., Ltd.
32 KING STREET WEST, TORONTO

We invite your critical examination of the Mason & Risch at your leisure and in quietness in our King Street Ware-rooms. Convenient instalment payments arranged if desired and liberal allowance made for old instruments taken in exchange.

The "Kitchen Queen" will stay longer if her realm is beautified with "Lacqueret."

The old chairs are worn and soiled. A coat of "Lacqueret" (any shade to suit your fancy) will make them look better than on the day you bought them.

Touch up the refrigerator with Oak "Lacqueret" and note the effect. The wainscoting wants a coat of Colored "Lacqueret" too—scars and scratches will vanish.

"Lacqueret" is a great rejuvenator and will help you to keep the "hired girl" by reducing her work and making her happier.

Write for our free booklet, "Dainty Decorator," and learn for yourself the many uses of this household beautifier.

Most prominent Hardware and Paint Dealers sell "Lacqueret."
