The House adjourned until nine o'clock to-morrow.

W E D N E S D A Y, the 30th July, 1788.

The Order of the day being read,

Report of a Committee.

The Committee appointed to wait on his Excellency the Lieutenant Governor with the address of this House, requesting that he will give directions for publishing a list of the fees to be taken by the Custom-house officers, and the Naval officer of this province, reported, that they had waited on his Excellency with the same, and that he was pleased to say, he would take the earliest and most effectual measures to obtain the necessary information from Halifax, and that the same when obtained, should be forthwith published.

His Excellency's answer to the Address.

Bills read and sent up for concurrence.

Read the third time as engrossed,—"a bill for the support and relief of confined debtors," and "a bill to amend an act, intituled an act for regulating the exportation of Fish and Lumber, and for ascertaining the quality of the same."

*Ordered*,—That they pass and be sent up for concurrence.

Motion by Mr. Chipman.

Mr. *Chipman* moved, that it be "resolved, that it is the opinion of this House, that it is improper, unreasonable, and unjust, that the Members of the House of Assembly should now receive
