CHICAGO, April 16.—Immense sales of corn today broke the market. There were many defections from the bull side, and it looked as if a large number of heretofore stubborn holders had decided to stand out no longer against Argentine competition. After a fall that amounted in some cases to as much as 2½c to ¾c a bushel, prices closed heavy at a decline of ¾c to 1%c to ½c net. Other speculative articles all showed a setback—wheat ¾c to ½c to 1c, oats ½c to ½c, and provisions 10 to 12½c to ½c, and provisions 10 to 12½c to ½c.
