Another Good Gas Well. Simcoe, Oct. 12.—(From Our Own prrespondent) .- Another good gas well was sealed yesterday on the farm of Frank Evans, between Port Dover and Port Ryerse, near the lake. The depth is 1,152 feet, and it is a 300,000 well. When coupled up with the system 4 few of the other wells had to be shut off to bring the regulations into proper adjustment. The second attempt with

doned owing to the casing refusing to drive. Ex-Reeve of Middleton Loses Son. Advice reached this office yester-

day of the death from appendicatis Phone 111. herself as she read the message for the third or fourth time. "I'll get a nice long letter in the morning."
But when morning came there was no letter, although she had spent her entire evening writing him. A long letter telling of the work she long letter telling of the work she and ended by saying she was very long letter telling of the work she missed.

The message for the mess

Mr. and Mrs J. H. Butler were apprised on Thursday of the critical illness of their son, Flight Lieut. Harold Butler. Mr. Butler left for Toronto yesterday morning, arriving at the bedside of his son a few minwould perhaps have been even more there.

miserable than she was. Yet she tortured herself with jealous thoughts until she went to sleep.

In the morning the fourth of her she would be all freshened up by the solutions are the bedside of his son a few minutes before he passed away. Pneumonia following the epidemic influenza was the trouble. The body will arrive here this evening for interment. A brother, Gordon, is overseas some two years now. The young man was but 19 years of age and a splendid young fellow.

The "Flu" at Home. "A note he might have written as ally she returned to her task, trying to cheer herself by saying it would surely be there when she got back at night. But her disappointment was keen. She was nearing the third day of her stay and not aline from Brian save only that short wire.

The thought that he might be with Mollie King stung her, If that were the reason he was neglecting to write, he must care very little for her; and a good deal for Mollie King. This thought obtruded the entire affinished for the day, she was so larger. To morrow—A Distressing Wait,

"A note he might have written anyone," she sighed, "and written as impatience

Where could he be? By and by she when the epitut one death from the epitude the been but one death from the epitude. The she been but one death from the epitude with the heath from the epitude. Jules Brazil's Orchestra with "Hearts of the World."

Simconians last night heard metropolitan music at a tariff which was but a pittance compared with the expense incidental to a trip from home for this purpose. "Massey Hall Toronto' Hamilton, Brantford and Simcoe, was the route of this splendid organizations' tour with the film "Hearts of the World." "And the film itself was a wonder, a deal of it having been obtained from real life in France. But the music was superb. Local musicians went into raptures.
