WE CURE STRICTURE
Thousands of young and middle-aged men are troubled with this disease—many unconsciously. They may have a stinging sensation, small, twisting stream, sharp cutting pains at times, slight discharge, difficulty in commencing, weak organs, emissions, and all the symptoms of nervous debility—they have STRICTURE. Let our doctors experiment on you, by cutting, stretching, or tearing. This will not cure you, and will turn. Our NEW METHOD TREATMENT absorbs the stricture tissue; hence removes the stricture permanently. It can never return. No pain, no suffering, no detention from business by our method. The sexual organs are strengthened. The nerves are invigorated, and the bits of manhood returned.

WE CURE GLEET
Thousands of young and middle-aged men are having their sexual vigor and vitality continually sapped by this disease. They are frequently unconscious of the cause of these symptoms. General Weakness, Unnatural Discharges, Falling Manhood, Nervousness, Poor Memory, Irritability, at times Smarting Sensation, Sunken Eyes, with dark circles, Weak Back, General Depression, Lack of Ambition, Varicocele, Shrunken Testes, etc. GLEET and STRICTURE may be the cause. Don't consult family doctors, as they have no experience in these special diseases—don't allow Quacks to experiment on you. Consult Specialists, who have made a life study of Diseases of Men and Women. Our NEW METHOD TREATMENT will positively cure you. One thousand dollars for a case we accept for treatment and cannot cure. Terms moderate for a cure.

CURES GUARANTEED
We treat and cure: EMISSIONS, VARIOCELE, SPHIGLIC GLEET, STRICTURE, IMPOTENCY, SECRET DRAIN, UNNATURAL DISCHARGES, KIDNEY and BLADDER DISEASES. CONSULTATION FREE. BOOKS FREE. If unable to call, write for QUESTIONNAIRE for HOME TREATMENT.

After-Dinner Speeches.
In the course of a speech delivered at the warden's banquet, held at Gananoque on Thursday last, Mr. Richardson, counties secretary, replying to a question respecting the House of Industry, said it was excellently managed and a credit to the counties. The manager, Mr. Steacy, deserved to be more highly appreciated than he was. He hoped as many as possible would visit the institution.

On the same occasion, Mr. Patton congratulated the counties on their financial state. With a new House of Industry, Jail, Courthouse and Registry office they still had the smallest net debt of any municipality of this size on the continent. With an assessment of between 17 and 18 millions of dollars the debt was less than \$40,000.

Brown-Hawkes.
Smith's Falls News: The residence of Mr. Nelson Hawkes, Shawville, was the scene of a quiet wedding this morning, when his daughter, Miss Blanche, was married to Mr. Wm R. Brown of Carleton Place. The ceremony was performed at 10 o'clock, and was a very quiet one, there being no bridesmaid or groomsmen, and only the immediate friends present. Mr. and Mrs. Brown left on the noon train for a wedding trip, which will include Toronto, Montreal, Quebec and other cities. The groom is a well-known resident of Carleton Place, where he has a comfortable home to which he is taking his bride. The bride has been a resident of the town only about three months, but in that time has made a number of friends whose good wishes she has.

The Athens Reporter has much pleasure in extending felicitations and best wishes to the bride, whose long residence in Athens as a student in the high school and as an assistant in the post office gained for her a host of friends. We heartily congratulate the groom upon having won so estimable a helpmate, and trust that their wedded life may contain a full measure of happiness and prosperity.

The groom is a prominent business man of Carleton Place, a member of the firm of H. Brown & Sons of that town.

The Trophy Race.
The first of the series of races for the Cycle and Motor Co.'s trophy took place on the Athens driving track on Friday evening last and it was witnessed by quite a large number of wheelmen and their friends. The contestants were Messrs. Geo. Holmes, Claud Knowlton, Clark Mitchell, Geo. Hutchison, Kenneth Berney, Rob't Cughan and M. Alguire, and they finished in the order named. The race from start to finish was very interesting. Messrs. Holmes and Knowlton were heavily handicapped by their speedily less speedy opponents, but, paced by Mr. Wm. Johnston, they succeeded in overcoming the disadvantage and during the last round it settled down to a trial for first position between these two riders. At the start Holmes gained first place behind the pacer and he held this lead throughout the race, though several times closely pressed by Knowlton who was never more than a length behind.

The distance covered was five miles and the time 15.31. The track was heavy and decidedly rough on the back stretch, so due allowance must be made for this in considering the time.

The next trial takes place on Friday evening of this week and will probably be for the same distance.

All poll and dog taxes must be paid this week.

The counties council at its session last week incorporated Westport as a police village.

During the past week several horse-buyers have been in this section buying remounts for the British army. A number of suitable horses were found and changed hands at good figures.

The Reporter notes with regret this week the removal from Athens of Mrs. Chas. Barber and family to Brockville. They leave Athens with reluctance and have many friends here who sincerely regret their change of residence.

At the M. E. church, parsonage, Clayton, N. Y., on Monday, 18th inst., Mrs. Anna B. Yates, of Lansdowne, was married to Mr. Hamilton A. Dunham, of Kitley. The ceremony was performed by the Rev. William Williams.

The counties council have appointed the following as a board of examiners for the purpose of examining candidates for public school teachers and for such other purposes as prescribed in the School Act.—Wm Johnston, Athens; T. A. Craig, Kemptonville; R. Kinney, R. Meade, Brockville.

On Thursday, 21st inst., Miss Lilian Coates, a popular young lady of Brockville, and one of the best christian workers in the Wall street Methodist church, was married to Rev. H. E. Warren, M.A., B.D., of the Nepean Methodist circuit. On Tuesday the church ladies presented her with a purse of gold and a complimentary address.

The counties council has reduced the fee payable by county high school pupils to 50¢ per month. Mr. Wood introduced the motion making the reduction and pointed out that the Athens, Gananoque and Kemptonville schools were each receiving with the counties annual grant of \$200 and collectible fees, somewhere near \$560 per year. He thought they could well afford to submit to the reduction proposed in his amendment.

There was at first a disposition in some quarters to make light of the W. C. T. U.'s discovery that the license law was being violated and an appetite for intoxicants surreptitiously developed through the medium of branched chocolates, but the members of the Union have continued their investigations in different parts of the country and a few days ago brought three cases against confectioners to trial at London, Ont. The cases were not pushed to a conclusion, but the police magistrate said that the sale of branched chocolates was a clear violation of the license law and would be punished in future.

A Tall Fish Story.
The Smith's Falls News is responsible for the following story: While Mr. Dunham of Toledo, was driving home the other evening, he noticed a large hawk circling above a creek, and then suddenly dive. When it ascended it carried in its talons a large fish, but the fish was too heavy and too lively to be carried far, and the hawk was compelled to let it drop. It fell near where Mr. Dunham was, and he at once went over and picked up the fish, which proved to be a pike weighing fully six pounds. Mr. Dunham took the fish home and had it cooked for supper.

Fell Out or Thrown Out.
Kingston, Ont., June 22.—William Scott, formerly of Bedford Mills, on the Rideau canal, met death in a mysterious manner at Jayville, N.Y. The authorities are looking for John Youngs, also a Canadian, last seen with Scott. The men had been to Harrisville, and returned home intoxicated, the horses ran away. Scott was left unconscious on the roadside. Later Scott was found, and, after battling for life for 48 hours, passed away. Youngs has disappeared, and suspicions are that the men quarrelled, and Youngs threw Scott out of the rig. A widow and seven children at Bedford Mills are left to mourn.
