The death occurred at her home in Easton's Corners on Saturday of Mrs. Shelah Hawkes after a long and painful illness. She suffered from nervous trouble and for years past there had een no hope of her ever being better. She was the mother of Mr. Clarence Hawkes of Smith's Falls, and of Mrs. J. B. Arnold, of Easton's Corners, and ormerly resided in the township of Elizabethtown near Addison. She was a kind hearted Christian woman and lived an active useful life in the community where she had her home for so many years, The funeral was held on Monday.

There are two ways of telling the difference between wholesome mushrooms and the poisonous fungi that so closely resemble them. If they are to be boiled, put an onion with them and if it remains white there is nothing to tear. If it turns black, throw out the contents of the dish, for poison lurks there. A common test is to sprinkle a little salt on the pink underpart, and you have a danger signal before you. If precautions like these were taken with all mushrooms, fresh or canned, there would be less sickness in the

No less than 73 townships have commuted and abolished the statute labor system, with a view to securing a better roads by more skilled supervision. About half of these made the change during the last year, as shown by the annual report of the commissioner of highways. The report records a marked advance in public sentiment in favor of 'better roads and shows that the movement for improvement has attained quite large proportions in Ontario. This is the more gratifying when it is remembered with what indifference the subject was first received by the people. The report contains some valuable suggestions for municipalities proposing to take advantage of the provincial grant, and makes public which call for a good standard of road

### DEATH OF TRUMAN COWAN.

Friends and acquaintances of Mr. Truman Cowan, son of Councillor John Cowan, of Charleston, were shocked to hear of his death which occurred on Saturday last after a few day's illness. About a week ago he was taken ill while in the vicinity of Plum Hollow putting up a hay fork and was brought home. The physicians pronounced his ailment a severe case of appendicitis and although everything possible was done he suffered untold agony until Saturday morning when death relieved his sufferings. Mr. Cowan has resided in Athens for three or four years, being -One of the worst hail storms that employed as an engineer the most of the time in the Bullis steam saw mill. iff, of Elizabethtown, who survives
