Local and other Matters.

RECEIPTS OF R. C. BAZAR at Dorchester last Wednesday were \$424.70. In the election for the Premier-ship of 1883, Sir John won by 51 votes.

A BAZAR held last Thursday at Southampton, to raise funds in aid of the new temperance hall in that place, was most successful. The proceeds were about \$160.

ANOTHER QUARRY.—A month or so ago the Post called attention to the splendid facilities for quarrying and shipping of building and other stone possessed at Peck's Point, Rockport. The advertising of that locality has already borne fruit. Messrs. Roberts are now engaged in opening a building stone quarry there.

EDUCATIONAL.—The Presbyterians of St. John propose to send, by stock, about \$50,000, to constitute a Ladies' College at St. John. The Baptists have held several meetings to arrange for the re-establishment of their Academy at St. John. The institution will cost from \$15,000 to \$20,000. The Teachers' Association, at St. John, has been organized. The Rev. J. A. Rogers, of New Brunswick, has been elected Moderator. The Rev. J. A. Rogers, of New Brunswick, has been elected Moderator. The Rev. J. A. Rogers, of New Brunswick, has been elected Moderator.

SALESBY ITEMS.—The farmers of this place have lately been engaged with their potatoes. The crop here as elsewhere is below average.

Amherst Items.

—Mr. John B. Hickman, son of James S. Hickman, Esq., will open a law office here this autumn.

—Rev. J. A. Rogers, Amherst, who has been visiting relatives in New Brunswick, has returned to his home on Sunday last.

—The Rev. W. G. George is prevented from returning to mission work in Burmah for another year, by reason of the delicate health of his wife.

—C. Goodspeed, who has been studying in Leipzig, Germany, for the past year, was in Amherst last week. He takes the pastorate of the First Baptist Church, Yarmouth.

—Mr. Buckley is making another effort to revive the meat trade. He has sold Mr. Shaw of London, Eng., 1,000 carcasses mutton and 240 quarters beef, which are to be forwarded from Amherst to Halifax in refrigerators, and are to be shipped in refrigerators on a steamer leaving that port on the 11th inst.

—A special meeting of the Albert County Council was held at Hopewell on the first of the week to see what was to be done about the execution against the Municipality, issued out of the Supreme Court by Simeon Jones on account of the Elgin Railway. It seems that the council forgot that it conveyed for business last week, and did not do anything to prevent costs arising, which might then have been done, but instead they spent their time in drawing up resolutions about the Syndicate, which only resulted in giving a certain Harvey gentleman prominence as one having authority, but lacking—a strong mind.

—The abundant yield of hay is nearly all housed, and our farmers are now busy digging their potatoes. Owing to the early start many fields are but a poor crop.

—An Albert County correspondent in your last issue calls me a Crit. If complimentary, I am obliged to him. At any rate, I suppose it pleases him, and it does me no harm.

—On Monday night an old-fashioned temperance meeting was held in the Methodist Church, and addressed by Rev. C. W. Hamilton, J. T. Steeves, Esq., J. Beamish, Esq., (St. John) Rev. M. Gross and C. P. Warman, Esq., in the order which their names are written, but interspersed with music.

—Last Wednesday evening a festival was held in the Rink in the interest of the Surrey Baptist Church; and though the evening was very cold and unpleasant, it was patronized by a large number who came on the special train from Hopewell, and the evening was very well as well as by our own community. On Thursday evening a concert was held in the church, and the remaining provisions were disposed of. About \$175 were realized.

—I was not disappointed at the random search all round to find out who wrote or telegraphed to the Telegraph the account of the Finance Minister's meeting in Albert. I was, however, taken by surprise to find a (supposed) friend of the present local members testify to the fact that the Minister had not been in the subject of the "Building" one. It is after the plucking of the old fruit that the new buds come forth, and these are the sources of new flowers and fruit.

—The annual fair and exhibition was held at Petticoat on the 4th inst. There were present the largest crowd that has ever been seen on such occasions. One could not judge as to the quantity of the products of the soil but the quality was excellent, exceeding former years. The stock was also, although we have been better in some respects, but generally speaking the whole affair was a credit to the people who had an interest in it and to the various localities represented. Not much drinking was indulged in, owing to the timely appearance of St. John's Magazine, which was a great help to the products of the soil but the quality was excellent, exceeding former years.
